Net wt. 32 oz. (2 lbs.) / 908 grams
See back panel for additional precautionary statements

Directions for Use:
It is a violation of federal law to use this product in a manner inconsistent with its labeling.

1. Use at night before retiring.
2. Pour 1/2 of bottle into toilet bowl and flush. Immediately repeat this step until all of the product has been flushed into the sewer pipe. For low-flow toilets, additional flushings may be required to completely remove Roebic K-77 Root Killer crystals from the toilet bowl to the sewer pipe. You may also add contents directly to the septic tank drainfield through the inspection box. Add 2 to 3 gallons of water to carry crystals to root growth in pipes.
3. Do not apply Root Killer through tub or sink drains.
4. Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.

Storage and Disposal:
Do not contaminate water, food, or feed by storage and disposal. Pesticide Storage: Store in a dry place. Avoid storage near food or feed products. Keep away from children. Pesticide Disposal and Container Handling: Nonrefillable container. Do not reuse or refill this container. If empty, Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Precautionary Statements
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER: corrosive. Causes irreversible eye damage. May be fatal if swallowed. Harmful if absorbed through skin. Do not get in eyes or on clothing. Avoid contact with skin. Wear safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

Environmental Hazards
This product is biodegradable and is not harmful to fish and aquatic invertebrates and may contaminate water through surface or ground water. Avoid contact with wildlife. Do not apply directly to water. Dilute contaminated water before discharging it to equipment washwater or storm drain.
