DIRECTIONS FOR USE

1. First Aid:
   - If swallowed: Call a poison control center or doctor for treatment advice.
   - If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Get medical advice if symptoms persist.
   - If on skin or clothing: Remove clothing/PPE immediately. Wash thoroughly with soap and water.

2. Application:
   - Apply as an indoor space spray in horse barns, stables, and facilities.
   - Apply as an outdoor area spray for temporary protection from biting and non-biting insects.
   - Apply to homes, vehicles, and other areas where insect control is needed.

3. Storage and Disposal:
   - Keep out of the reach of children.
   - Store at room temperature.
   - Disposal: Pour into an approved waste receptacle for hazardous materials. Do not contaminate water, food, or feed by storage or disposal.

4. Environmental Hazards:
   - Avoid contact with exposed food and drinking water.
   - Do not contaminate water, food, or feed by storage or disposal.
   - Do not allow product to enter any drain or sewer, storm drain, water body, or aquatic habitat.
   - Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively foraging.

5. Personal Protective Equipment (PPE):
   - Mixers, loaders, applicators, and other handlers must wear:
     - Chemical-resistant apron for mixers, loaders, persons cleaning equipment and persons exposed to the concentrate.
     - Long-sleeve shirt and long pants.
     - Chemical-resistant gloves.

6. Pesticide Disposal:
   - Pour into an approved waste receptacle for hazardous materials. Do not contaminate water, food, or feed by storage or disposal.
   - Do not use or store this pesticide in an evaporative cooling system.
   - Do not use in dairy barns or facilities: Close milk bulk lids to prevent heat expansion and falling insects. Remove or cover milking utensils before application.

7. Pyranha® Space Spray 1-10® HP Concentrate:
   - Use as an indoor space spray in horse barns, stables, and facilities.
   - Use as an outdoor area spray for temporary protection from biting and non-biting insects.

8. Ingredients:
   - Permethrin: 0.5% w/w
   - Pyrethrins: 0.08% w/w
   - Piperonyl Butoxide: 0.1% w/w

9. KEEP OUT OF THE REACH OF CHILDREN
   - Wash the outside of gloves and any other contaminated clothing.
   - Store pesticides separately.

10. Made In USA
    - Contact the system manufacturer for guidance or assistance.
