INSECTICIDE CATTLE EAR TAGS

• Two tags per animal control up to five month’s control of pyrethroid-resistant horn flies.
• Guaranteed against loss due to tag or button failure.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Reformulation or repackaging of this product is prohibited. This labeling must be in the possession of the user at the time of pesticide application.

SURVEY SEASON: For optimum control of horn flies, use Gulf Coast ticks, equine ticks, and to aid in the control of face flies, attach two ear tags per animal (one in each ear) in May to June or when flies become a problem in the spring. Provides up to five month’s control of horn flies, including pyrethroid-resistant horn flies.

WINTER SEASON: To control lice during winter months, apply two new tags per animal in late fall. Kicks cattle lice from within two weeks. Controls lice and adds in control of longnosed and shortnosed cattle lice.

FIRST AID

If on skin: Remove from skin immediately; wash thoroughly and change clothes immediately.

If in eyes: Flush eyes with plenty of water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Continue rinsing eyes.

If swallowed: Do not induce vomiting unless told to do so by a poison control center or doctor.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in original container in a cool, dry place away from direct sunlight, children, and pets.

PESTICIDE DISPOSAL: Remove tags before shipping.

If you inhale spray: Remove contaminated clothing and wash skin with soap and water.

If you get this product in your eyes:

Lightly rinse any contact lenses. Remove any remaining liquid with soap and water.

Wash the outside of the lenses with contact lens cleaning solution. Follow manufacturer’s instructions for cleaning.

If you get this product on your skin:

Rinse skin immediately with soap and water for 15-20 minutes. Remove contaminated clothing if necessary. Wash the inside of the clothes with soap and water. Wash thoroughly and change dirty clothing.
