PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes eye injury and skin burns. Harmful if swallowed. Do not get in eyes or on clothing. Wear chemical splash-proof goggles or face shield, rubber gloves and protective clothing when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Avoid breathing vapors. Vacate ventilated areas as soon as possible. Do not return spill-contaminated clothing. If exposure occurs, see additional precautionary statements on side panel.

PHYSICAL OR CHEMICAL HAZARDS

STONG INTOXIDANT: Mix only with water according to label directions. Mixing this product with chemicals (e.g. ammonia, acids, detergents, etc.) or organic matter (e.g. urine, feces, etc.) will release irritating chlorine gases which are harmful to eyes, lungs and mucous membranes. NOTE: This product degrades with age. Use a chlorine test kit and increase dosage, if necessary, to obtain the required level of available chlorine.

ENVIRONMENTAL HAZARDS

This product contains trihalomethane (THM) precursors. The water and sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

For Institutional and Industrial Use / Para uso institucional e industrial solamente

DANGER/PELIGRO

KEEP OUT OF REACH OF CHILDREN
