OTHER INGREDIENTS: . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . 90%

TOTAL 100%

DIRECTIONS FOR USE

SELECTION OF TREATMENT AREAS: Determine dry, accessible areas where house mice will most likely pick up ZP TRACKING POWDER on their feet or fur and ingest it during grooming. Generally, these areas are along walls, by ground openings, in corners and concealed places, in spaces between floors and walls, or in locations where house mice or their signs have been observed. Remove goods piled directly on floor and place on skids. Use boxes or other obstacles to force house mice to travel through constrained areas. When using this product in homes, only treat in concealed, inaccessible places such as spaces between floors and walls. Equally sprinkles 3 to 5 grams of lightly agitating powder (one to two teaspoonful amounts) of ZP TRACKING POWDER into approximately 3 by 24 inch patches. Using a hand-powered duster, dust into nooks and niches between walls and spaces between floors. While wearing waterproof gloves, where accessible, collect and dispose of all dead animals. Maintain ZP Tracking Powder in treated areas for seven days or until fresh signs of mouse activity cease to appear. Clean up any powder that is accessible and dispose of in accordance with disposal directions.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

FOOD AND WATER: Fatal if swallowed. Fatal or absorbed through the skin. Causes skin burn. Harmful if inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing dust. Any person who retrieves carcasses or unused bait following use of this product must wear waterproof gloves.

PPE: All handlers, including loaders and applicators must wear:

• Coveralls, long-sleeved shirt and long pants.
• Chemical resistant shoes plus socks.
• Waterproof gloves.
• When moving and loading, wear a chemical-resistant apron.
• When cleaning equipment, wear a chemical-resistant apron.

Pesticide Disposal: Wastes resulting from the use of this product may be placed in trash or delivered to an approved waste disposal facility.

Container Handling: Nonrefillable container. Do not reuse or refill this container. (Plastic): Offer for recycling or reconditioning; or puncture and dispose of in a sanitary landfill.

DISCLAIMER: To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. To the extent consistent with applicable law, buyer assumes all risk of use and handling of this material when such use and handling is contrary to label instructions.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store only in original container in a cool, dry place inaccessible to children and pets. Keep containers closed and away from other chemicals.
