A mild all purpose cleaner that combines detergent and wetting agents coupled with a phosphoric acid base. Eliminates rust, lime, organic deposits, and offensive odors from wash basins, bathtubs, shower stalls, drinking fountains, glazed tile, porcelain enamel, toilet bowls, and urinals. When used as directed, product demonstrates effective disinfection against Staphylococcus aureus and Salmonella choleraesuis. Efficacy tests have demonstrated it to be an effective one-step bowl/tile/porcelain cleaner disinfectant in the presence of organic soil of 5% serum load for a contact time of 10 minutes, 20°C.

Recommended for use in commercial or industrial buildings, hotels, and motels.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO CLEAN AND DISINFECT

Toilet Bowls: Remove water from bowl by forcing over trap with applicator. Remove excess water from applicator by pressing it against side of bowl. Pour 1 oz. on applicator. Clean entire unit, especially under rim at water outlets. Allow to remain 10 minutes. Flush and rinse out applicator.

Urinals: Pour 1 oz. onto mop and apply or squirt directly onto surface. Allow to remain 10 minutes. Flush and rinse out applicator. A preliminary cleaning is necessary for the removal of gross filth prior to disinfection.

To Clean: wash basins, bathtubs, shower stalls, drinking fountains, tile, porcelain enamel, and stainless steel, always dilute with 3 parts water. Do not allow solution to remain on fixtures without immediately thoroughly rinsing with water.

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS

DANGER: Corrosive. Causes irreversible eye damage or skin burns. Harmful if swallowed or absorbed through skin or inhaled. Do not get in eyes, on skin, or on clothing. Avoid breathing spray mist. Wear goggles or face shield. Wear protective clothing and rubber gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

CHEMICAL HAZARD

Do not use on any surface that can be damaged by acidic materials. Many surfaces are not resistant to acid. Never use or mix with bleach or other cleaners or chemicals.

STORAGE AND DISPOSAL

Keep out of reach of children. Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. Otherwise, wrap empty containers in plastic bag and discard in trash. Keep from freezing.

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY

First Aid

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth to an unconscious person. Call a poison control center or doctor for treatment advice.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. In case of an emergency for additional information call toll free 1-800-328-0026.
