FIRST AID
Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact 1-800-222-1222 or 1-800-600-4044 for emergency medical treatment information.

If Swallowed
• Call a Poison Control Center or doctor immediately for treatment advice.
• Do not give any liquid to a person.
• Do not induce vomiting unless told to do so by the Poison Control Center or doctor.
• Do not give anything by mouth to an unconscious person.

If on Skin
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for 15-20 minutes.
• Call a Poison Control Center or doctor for treatment advice.

If in Eyes
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a Poison Control Center or doctor for treatment advice.

NOTE TO PHYSICIAN: Contains petroleum distillate. Do not induce vomiting. Vomiting may cause aspiration pneumonia.

ENVIRONMENTAL HAZARDS
To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid runoff to water bodies or drainage systems.

Buyer assumes all risks of use, storage and handling of this product not in strict accordance with directions given hereon. Voluntary Purchasing Groups, Inc. warrants this product to conform to the chemical description on the label for the purposes stated on this label. The limit of any liability incurred shall be the purchase price paid by the user or buyer.
