</table>

FLOWERS, SHRUBS, TREES

Use from 1-8 pints of diluted ferti-lome® ROOT STIMULATOR AND PLANT STARTER SOLUTION per Plant depending on size. For example, 1 pint of the mixture on Mums, Geraniums and other Annual Flowers. For Rose bushes and Camellias, use 3 pints per Plant. For larger than 4 foot Plants (Trees and large Shrubs), use 1 gallon of the mixture per Plant. Pour diluted solution over the soil as the roots are being covered, making sure that the roots are wet with the solution. Wet soil around Plants with water after planting.
HOUSE PLANTS
Use ½ cup diluted solution per quart of soil (a 6 inch pot holds approximately 1 quart).

NOTE: Solution is a root stimulator and should not be applied to Plant’s foliage as a fertilizer or plant food.

HERE ARE THE RESULTS YOU MAY EXPECT!
This product helps Plants become established quickly and helps insure vigorous growth.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Keep out of reach of children. This product is not for human consumption. Avoid getting in eyes. Kitchen utensils such as tablespoons and measuring cups should not be used for food purposes after use with pesticides.
STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in original container. Keep in an area inaccessible to children and pets.
PESTICIDE DISPOSAL: If Empty: Non-refillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

NOTE: Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given here-with. Voluntary Purchasing Groups, Inc. warrants this product to conform to the chemical description on the label and for the purposes stated on the label. The limit of any liability incurred shall be the purchase price paid by the User or Buyer.
