**DIRECTIONS FOR USE**

**INSTRUCCIONES**

1. **FOR HEAVY DUTY CLEANING AND/OR ODOR CONTROL:**
   - Use a spray application of 2 oz. per gallon of water (or equivalent dilution) for 15 minutes. Rinse or allow to air dry.
   - For cleaning and disinfecting hard nonporous athletic surfaces such as athletic, wrestling, gym, mat, floors or other closed spaces. Thoroughly scrub all treated surfaces that come into contact with food, including equipment used for eating or drinking and rinse with potable water before reuse. Do not house food or animals or employ equipment until treatment has been absorbed, set or dried.

2. **KEEP OUT OF REACH OF CHILDREN.**

**For medical emergencies only, call 800-303-0441. Outside North America call 651-632-8956.**

**STORAGE AND DISPOSAL**

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters until directed to do so by applicable and enforceable regulations of a National Pollutant Discharge Elimination System (NPDES) and the permitting and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into the biosolids of municipal sewage treatment plants. For guidance contact your State Water Board or Regional Office of the EPA.

**ENVIRONMENTAL HAZARDS**
