**Health-3  Flammability-1  Reactivity-0  Personal Protection-B**

**FUNGICIDAL ACTIVITY**

- When diluted at the rate of 4 ounces per gallon of water, this product is effective in the control of the following organisms: Staphylococcus aureus, Salmonella enterica and Pseudomonas aeruginosa and meets all requirements for hospital use.

**DISINFECTION**

- To disinfect previously cleaned, inanimate, hard surfaces add 4 ounces of this product per gallon of water. Apply as a dry fog, mop, cloth, sponge, or hand pump trigger sprayer to disinfected surfaces. Allow to remain wet for 10 minutes and then let air dry.

**DISINFECTANTS**

(Against Pathogenic Fungi)

- For hospital use.

**PHYSICAL OR CHEMICAL HAZARDS**

- Corrosive. Use to disperse or spill near heat or open flame.

**STORAGE AND DISPOSAL**

- Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE**

- Store in a dry place no lower in temperature than 50°F or higher than 120°F. Store in a tightly closed container in an area inaccessible to children.

**MANUFACTURED FOR: WALTER E. NELSON COMPANY**

- 5937 North Cutter Circle
- Portland, OR 97217
- (800) 929-2141

**Net Contents: 1 Gallon (3.78 Liters)**

**CONTAINER DISPOSAL**

- Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Triple rinse container promptly after emptying. Triple rinse as follows: Fill container 1/4 full with water and recap. Agitate vigorously. Drain for 10 seconds after the flow begins to drip. Follow Pesticide Disposal Instructions for respective model. Repeat procedure two more times. Then offer for recycling or reconditioning. If not available, puncture and dispose in a sanitary landfill.

**PESTICIDE DISPOSAL**

- Pesticides are toxic chemicals. Improper disposal of this pesticide can result in removal of property, crop or home to a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**DISINFECTANTS**

- Cleaners
- Deodorizer
- Fungicide (Against Pathogenic Fungi)

**DIRECTIONS FOR USE**

**First Aid**

- Have this product container or label with you when calling a poison center or physician. Do not induce vomiting.

- Call a poison control center or physician if you think you might have ingested this product.

- Do not give anything by mouth to an unconscious person.

- Do not induce vomiting unless told to do so by the poisoning center or physician.
