PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER: Exposure may cause severe injury to the eyes, lungs and mucous membranes. Avoid breathing vapors. Vacate poorly ventilated areas as soon as possible. Do not return until odors have dissipated. If exposed, consult a physician. Wear protective clothing and goggles. Wash after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Avoid contact with skin and clothing. Keep out of reach of children.

HAZARDS TO DOMESTIC ANIMALS: diagonal (provides a minimum available chlorine of 8%) TOTAL: .......................................... 100.0%
ACTIVE INGREDIENT: ................................................................................................................................. 91.6%

PESTICIDE DISPOSAL:
Mix only with water according to label directions. Mixing this product with

PESTICIDE STORAGE:
Store unmixed concentrates in a cool, dark, dry place in the original containers. Always replace covers. In case of spill, flood the area with large quantities of water. Avoid contact with upholstery, fine furniture, fabrics, paper, plastics or other painted surfaces. For spilled material on hard surfaces or non-porous surfaces, use a broom or vacuum to collect material from hard surfaces. Remove any material from porous surfaces by washing with a detergent solution. Non-porous surfaces that are resistant to cleaning with detergent solution may be treated with a 10% solution of chlorine bleach. Any chlorine that is not neutralized must be thoroughly rinsed with water. For a complete listing of local regulations, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

STORAGE AND DISPOSAL:
DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL OF WASTE MATERIALS. Improper disposal of excess pesticide, spray mixture, or rinsates is a violation of Federal Law. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label directions, consult your local sewage treatment plant or waste disposal facility as to the disposal method. Do not contaminate water, food or feed by storage or disposal of waste materials. For recycling information, call 1-800-35-CLEAN (352-5326).

STORAGE:
Keep in original container in a cool, dry place or in subdued light at room temperature.

NONREFILLABLE CONTAINER:
Non-refillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Offer for recycling, if available, or discard in trash.

FIRST AID:
In case of contact with eyes, rinse immediately with plenty of water for 15-20 minutes. If sensitivities are present, shield eyes with a protective shield. Call a poison control center or doctor for treatment advice.

IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED:
Move exposed person to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Call a poison control center or doctor for treatment advice.

IF SWALLOWED:
Call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Avoid giving anything by mouth to an unconscious person.

NOTE TO PHYSICIAN:
Probable mucosal damage may contraindicate the use of gastric lavage. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

FOR EMERGENCY MEDICAL INFORMATION WORLDWIDE, CALL 1-651-222-5352 (IN THE USA).

THIRD PARTY TESTING:
Our products are tested for performance and safety in accordance with the regulations of the laboratories listed in the following references. Any data above does not necessarily represent the effectiveness of the product in the referenced application.

PELIGRO:
SI USTÉ NO PUEDE LEER EN INGLES, PREGUNTE A SU SUPERVISOR SOBRE LAS
INSTRUCCIONES DE USO ANTES DE TRABAJAR CON ESTE PRODUCTO.

STRONG OXIDIZING AGENT:
Mix only with water according to label directions. Mixing this product with
