For Use in Hospitals, Nursing Homes, Clinics, Medical Facilities, Businesses, Hotels, Motels, Restaurants, Schools, Institutions and Commercial Establishments

Needs No Rinsing

Biocidal: Acts as an disinfectant on non-porous environmental surfaces such as toilet seats, fixtures, porcelain, glazed tile, wash bowls, shower stalls, walls, finished woodwork, counter tops, kitchen counter tops, tables and outside surfaces of appliances.

The easy way to clean and deodorize. Spray and wipe clean. Cleans and disinfects without scorching or burning. Use in nurseries and classrooms, for garbage and diaper pails, for any washable hard, non-porous environmental surface that needs disinfecting as you clean.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Clean and Deodorize: Remove all grass, fiber or heavy soil from surfaces to be treated prior to using this product.

Shake Well Before Each Use. Pour valve opening toward area to be treated. Wipe clean with a dry cloth, turning frequently.

This product effectively controls the growth of mold and mildew and the odors caused by them when applied to hard, non-porous surfaces. Apply by holding can upright 6” to 8” from surface to be treated. Spray until surface is thoroughly wet. Allow to dry without wiping or allow spray to contact treated surface for a minimum of ten minutes prior to wiping. When used as a disinfectant on food contact surfaces such as counter tops, tables and appliances, thoroughly rinse surfaces with potable water. Do not use on utensils, dishes or glasses.

Kills HIV on Por-Cleaned Environmental Surfaces Previously Soiled with Blood/Body Fluids: In the event of exposure to blood and body fluids, use appropriate barrier protection such as disposable latex gloves, gowns, masks and eye coverings. Cleaning Procedure: Blood and other body fluids must be thoroughly cleaned from surfaces and objects before application of this disinfectant. Contact Times: Spray surface to be treated 3-4 seconds, from a distance of 6-8 inches, until surface is wet. Allow spray to dry without wiping or allow spray to contact treated surface for a minimum of ten minutes prior to wiping. Disposal of Infectious Materials: Autoclave blood and other body fluids and dispose of according to federal, state and local regulations for infectious waste disposal. This product is safe for use on medical devices or medical equipment surfaces.

Storage and Disposal

Pesticide Storage: Store in a cool, dry, preferably locked place inaccessible to children and pets and away from direct sunlight, windows, and other sources of heat or ignition.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Disposal: Non-refillable container; do not refill or reuse this container. Do not puncture or incinerate; if empty, place in trash or offer for reclamation. If partly filled: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Causes moderate eye irritation. Normal inhalation through the skin. Avoid contact with eyes, skin or clothing. Harmful if inhaled. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If on Skin or Clothing: Take off contaminated clothing and wash before reuse. Inhale: Remove to fresh air. If not breathing, call 911 or other emergency medical treatment information. If Breathing: If breathing is difficult, give artificial respiration, preferably by mouth-to-mouth, if possible.

Call a poison control center or doctor for treatment advice. Have the product container and label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-866-836-8855 for emergency medical treatment information.

Physical or Chemical Hazards

Contains certain products. Do not use or store near fire, sparks or heated surfaces. Do not store in direct sunlight. Do not smoke while using this product. Bacterial, Virucidal, Fungicidal

Disinfects HIV-1 (AIDS Virus)*, Influenza A2/Japan Virus* and Herpes Simplex Virus* Types 1 and 2 on Hard Inanimate Non-porous Environmental Surfaces

Kills Pandemic 2009 H1N1 Influenza A Virus* [formerly called “swine flu”]

Active Ingredients:
- n-alkyl (16% C12, 34% C14, 50% C16, 3% C18) dimethyl benzyl ammonium chloride .................................................. 0.115%
- n-alkyl (50% C12, 30% C14, 17% C16, 3% C18) dimethyl ethylbenzyl ammonium chloride .......................................................... 0.115%
- Other Ingredients: ........................................................................................................ 99.770%

Total.................................................................................................................................. 100.000%
