Wash the outside of gloves before removing. As soon as possible, thoroughly wash and clothing. 3) Immediately remove personal protective equipment after handling this product. If pesticide gets on or inside clothing, then thoroughly wash with detergent and hot water and put on clean chewing gum, using tobacco or using the toilet. 2) Immediately remove clothing if pesticide gets on or inside clothing, then thoroughly wash with detergent and hot water. Keep and wash personal protective equipment separately from other laundry. 1) Wash hands before eating, drinking, smoking, using tobacco or using the toilet. 4) Wear protective clothing: rubber boots, long pants, long sleeve shirts, hat, gloves and appropriate eye protection. Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application. Do not apply this product in areas, trees, shrubbery, fences, patio furniture and garbage cans/bags. Stray animals are frequently attracted to areas that pets have soiled areas, trees, shrubbery, fences, patio furniture and garbage cans/bags. To discourage repeat visits, remove any droppings and clean area with water. Application Directions: Do not apply directly to foliage of shrubs or to ornamental, soft-bodied plants. Do not apply to food or feed crops. Lightly spray surrounding soil or apply to a piece of cloth and place it on the object or area to be protected. Retreatment Directions: Reapply daily, or as necessary, until undesirable habit is broken. PHYSICAL OR CHEMICAL HAZARDS: Flammable. Keep away from heat and open flame. DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Shake Well Before Using. USE RESTRICTIONS: Do not use in commercial food processing or preparation areas. In the home, cover all exposed food, food-processing surfaces and animals during treatment. Do not spray food or feed crops. Do not allow persons or pets to enter the treated area until sprays have dried. Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application. USER SAFETY REQUIREMENTS: Follow manufacturers’ instructions for cleaning/maintaining personal protective equipment. If no such instructions for washables exist, use detergent and hot water. Keep and wash personal protective equipment separately from other laundry. USER SAFETY RECOMMENDATIONS: Users should: 1) Wash hands before eating, drinking, smoking, using tobacco or using the toilet. 2) Immediately remove clothing if pesticide gets on or inside clothing, then thoroughly wash with detergent and hot water and put on clean clothing. 3) Immediately remove personal protective equipment after handling this product. Wash the outside of gloves before removing. As soon as possible, thoroughly wash and change into clean clothing. Usage: For both indoor and outdoor situations use training whenever possible, including positive (praise) and negative (sharply spoken word backed up with disciplinary action) reinforcement. This product repels dogs and cats for up to 24 hours when applied daily. Keeps pets away from furniture, carpet, trees, shrubs, garbage cans/bags and other “forbidden” areas. INDOOR USE: Use indoors to break your pet’s undesirable habits such as sleeping on furniture and rug or to keep out of forbidden areas. Always use with consistent training. Praise your pet for good behavior and scold for bad behavior. Pretreatment Directions: Before spraying large areas of rugs, fabrics or plastics, test the effect of this product by treating a small, inconspicuous area. This product may stain or soften some fabrics or plastics. To avoid possible damage, lightly spray a piece of cloth and place it on the object or area to be protected. Lack of staining or damage shows that this product is not likely to break the established urination patterns of dogs unless it is used as a training aid. Pretreatment Directions: Spray areas where people are likely to walk. Application Directions: Lightly spray the object to be protected with this product until slightly moistened. Retreatment Directions: Repeat daily, or as necessary, until undesirable habit is broken.
