READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS, PUPPIES, CATS AND KITTENS
PRECAUTIONARY STATEMENTS
Hazards to Humans & Domestic Animals
Thoroughly wash with soap and water after using and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.
Environmental Hazards: This pesticide is toxic to aquatic organisms including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run-off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Do not make applications during rain. This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.
DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
Use Restrictions: Use only in a well-ventilated area. Do not contaminate food or foodstuffs. Do not use treated articles until spray has dried. Not for use in outdoor residential misting systems. Except when applying directly to pets, do not allow adults, children or pets to enter until sprays have dried and do not apply this product in a way that will contact adults, children or pets, either directly or through drift. Shake well before using. Do not use on puppies or kittens under 12 weeks of age. Consult a veterinarian before using this product on debilitated, medicated, aged, pregnant or nursing animals. Avoid contact with animal’s eyes. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, immediately consult a veterinarian.
To Control Spinose Ear Ticks and Ear Mites, apply 10 drops to each ear making sure it penetrates the wax down to surrounding tissues. Repeat treatment once or twice at 2-3 day intervals.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Pesticide Storage: Store in original container in a cool, dry (preferably locked) place inaccessible to children and pets and away from heat or sunlight. Protect from freezing.
Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
Container Disposal: Non-refillable container; do not reuse or refill container. If empty: Offer for recycling if available, otherwise discard in trash. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. To the extent not prohibited by applicable law, buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
