SARS associated Coronavirus; and Avian Influenza A Strain H3N2 and H9N2

- This product exhibits disinfectant efficacy against Mycobacterium tuberculosis BCG (Mycobac-
terial bovis) at 20 degrees Centigrade when the treated surface is allowed to remain wet for

- This product is fungicidal against the pathogenic fungus, Trichophyton mentagrophytes (Athlete’s Foot)

- This product is virucidal against the hepatitis viruses, Hepatitis A Virus (HAV), Canine Parvovirus (CPV), and Rotavirus.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.

- This product is virucidal against the hepatitis viruses, Hepatitis A Virus (HAV), Canine Parvovirus (CPV), and Rotavirus.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.

- This product is virucidal against the hepatitis viruses, Hepatitis A Virus (HAV), Canine Parvovirus (CPV), and Rotavirus.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.

- This product is virucidal against the hepatitis viruses, Hepatitis A Virus (HAV), Canine Parvovirus (CPV), and Rotavirus.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.

- This product is fungicidal against the pathogenic fungal, Candida albicans, and Aspergillus niger.
