OTHER INGREDIENTS:

This product contains 7 pounds of active bensulide per 100 pounds.

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

**FIRST AID**

Do not induce vomiting unless told to do so by the poison control center or doctor.

**SYMPTOMS OF EXPOSURE:**

Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing.

**TREATMENT:**

- Take off contaminated clothing.
- Call a poison control center or doctor for treatment advice.
- Remove leaves, dead or tall grass, and other debris before applying this product to turfgrass.
- If the applicator is using a spreader, apply powdered activated charcoal to deactivate the bensulide. Before reseeding, apply activated charcoal at 7 pounds per 1,000 sq. ft. in 14 gallons of water. Or, the equivalent rate is 300 pounds of activated charcoal per acre in 600 gallons of water.

**APPLICATION SCHEDULES:**

- Use PRE-SAN GRANULAR 7G as a preemergent herbicide for control of crabgrass, annual bluegrass, and other annual weeds.
- Crabgrass only: Apply PRE-SAN GRANULAR 7G in the spring, after the last frost has passed.
- Other annual weeds: Apply PRE-SAN GRANULAR 7G in the spring and summer before the weeds emerge.

**SPREADER SETTINGS FOR TWO TYPES OF EQUIPMENT**

**PRE-SAN GRANULAR 7G should be applied with a lawn spreader or other granular equipment that provides uniform distribution or coverage. Uniform applications can be made by spreading one-half the required amount of product over the desired area to be treated. Then, apply the remainder of the product at right angles to the pattern of the first application.**

**APPLICATION RATES:**

- Apply a maximum of 300 pounds of PRE-SAN GRANULAR 7G per acre with the higher rate of 300 pounds of product per acre may be used on waterways, roadsides, and other non-turf areas.
- Do not use on parks, recreational areas, or other public sites.

**LIMITED WARRANTY AND DISCLAIMER**

PBI/GORDON CORPORATION makes no warranty or representation regarding the performance, effectiveness, or other characteristics of any product sold, the applicator or use of the product, and no warranty, whether expressed or implied, including any warranty of fitness for a particular purpose or merchantability, or any other warranty, shall be implied or construed. PBI/GORDON CORPORATION shall not be liable for any direct, indirect, incidental, or consequential damage, loss, or expense arising from the use of or the inability to use any product, whether under contract, tort, negligence, or any other theory of law, and any damage arising from the performance, effectiveness, or characteristics of any product sold or any other cause. The buyer and user of this product agrees to not hold PBI/GORDON CORPORATION liable for any direct, indirect, incidental, or consequential damage, loss, or expense arising from the use of or the inability to use any product, whether under contract, tort, negligence, or any other theory of law.

**DISPOSAL:**

- Do not compost, burn, or dispose of the product until a chemical disposal statement has been obtained from PBI/GORDON CORPORATION.

**STORAGE AND DISPOSAL:**

- Do not store or pour the product into drainage channels, sewers, or bodies of water.
- Do not store the product in a manner so that it is not accessible to children or pets.

**NOTE TO PHYSICIAN:**

In the event of exposure, flush exposed area with plenty of water. Keep eyes open and up. Do not give anything by mouth to an unconscious person. If symptoms of poisoning are present, call a poison control center or doctor for treatment advice.

**READ THE ORIGINAL LABEL. PRE-SAN GRANULAR 7G contains no active ingredients not found in this product.**
