OMACIDE® IPBC 100
INDUSTRIAL FUNGICIDE

ACTIVE INGREDIENT:
3-iodo-2-propynylbutylcarbamate.....98%
Other Ingredients....................2%
Total:....................................100%

KEEP OUT OF REACH OF CHILDREN

DANGER
SEE SIDE PANEL FOR FIRST AID AND PRECAUTIONS

MANUFACTURED FOR:

1200 Bluegrass Lakes Parkway
Alpharetta, GA 30004

Made in the USA

Omacide® is a registered trademark of Arch Chemicals, Inc.

EPA Reg. No. 1258-1219
EPA EST NO. 36209-NJ-01
Net Weight: 100 lbs
LOT #: 120310_04212015

STORAGE AND DISPOSAL:
Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE:
Keep container tightly closed when not in use. Do not reuse container. Do not store with strong oxidizing agents or strong (concentrated) acids.

PESTICIDE DISPOSAL:
Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinse water is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL:
Nonrefillable container. Do not reutilize or refill this container. Offer for recycling if available.

ENVIRONMENTAL HAZARDS:
This product is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, ponds, streams, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge.

Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE:
It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons.

FOR USE AS A DRY FILM PAINT PRESERVATIVE:
This product is used in paints and waterborne paints. Paint components used only for the manufacture of paints, stains and latex emulsions. Pour the container 1/4 full with water. Remove personal protective equipment immediately after handling this product. Wash the outside of gloves before removing. As soon as use is possible wash thoroughly.

FIRST AID:
In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, and continue rinsing eye for 15 minutes, then continue rinsing eye. Call a Poison Control Center or doctor, or get medical advice.

In Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 minutes. Then continue rinsing eye. Call a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. Do not induce vomiting unless told to do so by a Poison Control Center or doctor.

Inhalation: Get fresh air. If person is not breathing, call a Poison Control Center or doctor immediately.

Ingestion: Get medical advice. If person is not breathing, call a Poison Control Center or doctor immediately.

IF ON SKIN:
Remove contaminated clothing. Rinse skin thoroughly with soap and water after handling. If skin gets irritated, stop using this product and get medical advice.

IF INHALED:
Move person to fresh air. If person is not breathing, call a Poison Control Center or doctor immediately. If person is breathing, give artificial respiration, preferably mouth-to-mouth, if possible. Call a Poison Control Center or doctor for further treatment advice.

If Swallowed:
Call a Poison Control Center or doctor immediately for treatment advice. If person is breathing, give artificial respiration, preferably mouth-to-mouth, if possible. Call a Poison Control Center or doctor for further treatment advice.

NOTE TO PHYSICIAN:
Probable mucosal damage may contraindicate the use of gastric lavage. Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

IN CASE OF EMERGENCY CALL 1-800-434-9611.

DANGER: Corrosive. Causes irreversible eye damage. Harmful if swallowed, absorbed through skin or inhaled. Do not get in eyes, on skin, or on clothing. Avoid breathing dust. Remove and wash any contaminated clothing before reusing.

APPLICATORS AND OTHER HANDLERS MUST WEAR: Goggles or face shield, coveralls worn over long sleeve shirt and long pants, chemical resistant gloves (such as Barrier Laminate, Butyl Rubber, Neoprene Rubber, Nitrile Rubber) and shoes plus socks, dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C), or a NIOSH approved respirator with any R, P, or H filter. Wash thoroughly with soap and water after handling.

USER SAFETY RECOMMENDATIONS:
For storage or cleaning or handling PPE separately from other laundry. Discard clothing or other absorbent materials that have been drenched or heavily contaminated with this product’s concentrate. Do not reuse them.

USER SAFETY INSTRUCTIONS:
Users must wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Do not get in eyes, on skin, or on clothing. Avoid inhaling dust. Remove and wash contaminated clothing immediately. Then wash thoroughly and put on clean clothing.

Tobacco or using the toilet. Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

PPE separately from other laundry. Discard clothing or other absorbent materials that have been drenched or heavily contaminated with this product’s concentrate. Do not reuse them.

Harmful if swallowed, absorbed through skin or inhaled. Do not get in eyes, on skin, or on clothing. Avoid breathing dust. Remove and wash any contaminated clothing before reusing.

DANGERS FROM CLEANING OR HANDLING:
If Inhaled:
Move person to fresh air. If person is not breathing, call a Poison Control Center or doctor immediately. If person is breathing, give artificial respiration, preferably mouth-to-mouth, if possible. Call a Poison Control Center or doctor for further treatment advice.

If on Skin or Clothing:
Take off contaminated clothing. Rinse skin thoroughly with soap and water after handling. If skin gets irritated, stop using this product and get medical advice.

If in Eyes:
Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes. Then continue rinsing eye. Call a Poison Control Center or doctor, or get medical advice.

If swallowed, absorbed through skin or inhaled. Do not get in eyes, on skin, or on clothing. Avoid breathing dust. Remove and wash any contaminated clothing before reusing. As soon as use is possible wash thoroughly.

Pesticide Disposal:
Do not contaminate water, food, or feed by storage or disposal.

DIRECTIONS FOR USE:
It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons.

For Use as a Dry Film Paint Preservative:
This product is used in paints and waterborne paints. Paint components used only for the manufacture of paints, stains and latex emulsions. Pour from the container, up to 1000 parts per million (0.1% w/w) of this product to the diluted fluid (1.0 lbs. per 1000 lbs. of solution or approximately 0.8 lbs. per 100 gallons of solution or 1.0 kg per 1000 kg). This product may be added to the fluid at the time it is prepared (diluted) or to the reservoir (sump) containing the fluid after it is put into use. If it is added to the reservoir, the fluid should be circulated after addition to ensure mixing.

Precautionary Statements:
Hazards to Humans and Domestic Animals:
DANGER: Corrosive. Causes irreversible eye damage. Harmful if swallowed, absorbed through skin or inhaled. Do not get in eyes, on skin, or on clothing. Avoid breathing dust. Remove and wash any contaminated clothing before reusing.

AppliCators and other handlers must wear: Goggles or face shield, coveralls worn over long sleeve shirt and long pants, chemical resistant gloves (such as Barrier Laminate, Butyl Rubber, Neoprene Rubber, Nitrile Rubber) and shoes plus socks, dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C), or a NIOSH approved respirator with any R, P, or H filter. Wash thoroughly with soap and water after handling.

User Safety Recommendations:
For storage or cleaning or handling PPE separately from other laundry. Discard clothing or other absorbent materials that have been drenched or heavily contaminated with this product’s concentrate. Do not reuse them.

User Safety Instructions:
Users must wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Do not get in eyes, on skin, or on clothing. Avoid inhaling dust. Remove and wash contaminated clothing immediately. Then wash thoroughly and put on clean clothing.
