Tim-bor® Industrial

Wood Preservative

For protection and preventative treatment of wood* against decay fungi and wood-destroying insects. (*Also for wood-foam composite structural components.)

Active ingredient: Disodium Octaborate Tetrahydrate ........... 98% 
Na₂B₈O₁₃•4H₂O

Other ingredient: ............................................. 2%
(Product contains 2% H₂O, absorbed moisture)

Total: .................................................. 100%

EPA Reg. No. 1624-39 EPA Est. 1624-CA-1
KEEP OUT OF REACH OF CHILDREN

CAUTION
NOT FOR FOOD OR DRUG USE

ENVIRONMENTAL HAZARDS
Tim-bor Industrial or Tim-bor solutions carelessly spilled or applied to cropland or growing plants, including trees and shrubs, may kill or seriously retard plant growth. This pesticide is toxic to fish and wildlife. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GENERAL INFORMATION
Tim-bor Industrial is a water soluble inorganic borate salt for the protection and treatment of wood, wood products, and wood-foam composite structural components that are protected from excessive amounts of liquid water and are not in direct contact with soil except for those covered by a post treatment of oil or some preservatives under American Wood Preservers Association (AWPA), Use Category System U-03 commodity specification C-Crosshatches and Switch ties. For further clarification of appropriate applications please refer to the AWPA Use Category System. Tim-bor Industrial is effective against decay fungi and wood boring beetles including Powder Post (Lyctidae), Furniture Beetles and Old House Borers (Aribids), Longhorn Beetles (Cerambycidae), Subterranean Termites (Reticulitermes, Coptotermes, Heterotermes), Dampwood Termites (Zoicotermes), Drywood Termites (Kalotermes, Incisitermes), and Carpenter Ants (Camponotus). Tim-bor Industrial water pressure treated wood is also effective for controlling cockroaches that are repeatedly in direct contact with the wood. The addition of a compatible registered anti-sapstain and/or mildicide may be incorporated during treatment.

APPLICATION INSTRUCTIONS
Pressure process:
Pressure treatment procedures must rigorously adhere to the standards of U.S. Borax and/or those of the AWPA. If several species are being treated at once, choose the treatment schedule for the most difficult to treat species.

Non-pressure process:
Dip diffusion treatment and spray applications should adhere to the standards and methods of U.S. Borax and/or those of the AWPA.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by pesticide storage and disposal. 

Pesticide Storage: Store in a dry place. Do not store where children or animals may gain access. 

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. 

Container Handling: Nonrefillable container. Do not reuse or refill this container. Completely empty bag into application equipment. Then offer for recycling, if available, or dispose of empty bag in a sanitary landfill or by incineration, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

GENERAL PRECAUTIONS AND RESTRICTIONS
Notice: Because of many varying conditions affecting use and application, manufacturer warns buyer that these may impair or vary the results or effects of the use of this product. In event, complete prevention of decay by fungi or other organisms is not guaranteed. Neither manufacturer nor seller shall be liable in respect to any injury or damages suffered by reason of the use of this product for a purpose not indicated by the label, or when used contrary to the directions or instructions herein, nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms, and assumes all risk of usage and handling except when used and handled in accordance with this label. These are not express warranties on Tim-bor Industrial or implied warranties of merchantability or fitness for any particular purpose, except as specifically stated herein. Manufacturer shall not be liable for any consequential damages based upon the use of this product.
