**Active Ingredients:**
- Orthophenylphenol (CAS No. 90-43-7).........................0.176%
- Para-tertiary Amylphenol (CAS No. 80-46-6)..................0.045%
- Ethanol (CAS No. 64-17-5)........................................49.950%

**Other Ingredients..................................................49.829%

**Total........................................................................100.000%

**Contains Sodium Nitrite.**

**Physical or Chemical Hazards**

Flammable. Contents under pressure. Do not use or store near fire, sparks or heated surfaces. Do not store in direct sunlight. Do not smoke while using this product. Do not puncture or incinerate container.

**Exposure to temperatures above 120°F may cause bursting.**

**Cleaning Procedure:**

1. When handling items soiled with blood or body fluids, use appropriate barrier protection such as gloves, masks and barriers on clothing.
2. Blood and other body fluids must be thoroughly cleaned from surfaces and objects before application of this disinfectant.
3. Contact Time: Spray surface to be treated 3-4 seconds, from a distance of 8-10 inches, until surface is wet.
4. Allow to dry without wiping or allow spray to contact treated surface for a minimum of ten minutes prior to wiping.
5. Tuberculocidal in 10 minutes at 25°C.

**Storage and Disposal:**

- Pesticide Storage: Store in a cool, dry (preferably locked) storage area away from direct sunlight, windows, flames and other sources of heat or ignition.
- Pesticide Disposal: Dispose of properly to avoid pollution of water supplies.
- Container Disposal: Replace cap, wrap container and put in trash. Do not incinerate or puncture.

**Precautionary Statements**

**Hazards to Humans & Domestic Animals**

**CAUTION:** Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

**FIRST AID**

- **If on Skin or Clothing**
  - Take off contaminated clothing. Immediately rinse skin with plenty of water for 15-20 minutes.
- **If in Eyes**
  - Hold eye open and rinse slowly and gently with water for 15-20 minutes.
  - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
  - Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
  - You may also contact 1-800-328-0026 for emergency medical treatment information.

**For use in Nursing Homes, Schools and Institutions.**
