**ADVANCE** Carpenter Ant Bait

**FIRST AID**

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing, Rinse skin immediately, with plenty of water for 15 - 20 min. Call a poison control center or doctor for treatment advice.

**IF IN EYES:** Hold eyes open and rinse slowly and gently with water for 15 - 20 min. Remove contact lenses, if present, after the first 5 min., then continue rinsing eyes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-432-4EILF for emergency medical treatment information.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or absorbed through the skin. Avoid breathing dust. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Do not contaminate kitchen utensils with this product. Pets may be attracted to this product.

**ENVIRONMENTAL HAZARDS**
This pesticide is toxic to fish and wildlife. Do not apply directly to water, to areas where water is present, or to areas from which surface water is derived, or to tidal areas below the mean high water mark. Do not contaminate water when disposing of equipment or waste.

**DIRECTIONS FOR USE**

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

This product is a ready-to-use product for use in controlling numerous ants both indoors and outdoors. This bait formulation contains a mixture of foods and the delayed action insecticide, Abamectin. This insecticide acts to reduce the population of worker ants and can cause an immediate halt in egg production resulting in colony elimination. Avoid use of other insecticides or sprays on or near this product.

**OUTDOORS**

**BROADCAST APPLICATION:** Use this product at a rate of 1 lb/acre. Apply the product as uniformly as possible. Repeat application as necessary.

**AROUND STRUCTURES:** Lightly sprinkle the product evenly at a band approximately 1 - 2 ft wide around the foundation of the building. Treat visible trails with approximately 1 oz of product. Repeat application as necessary.

**INDIVIDUAL COLONY TREATMENT:** Use 1.5 - 3 oz of product per colony. Repeat application as necessary.

**INDOORS**

**LOCATE ANTI ACTIVITY:** Follow ants back to the colony. Apply product to cracks and crevices or areas where ants are active. In heavily infested sites, use up to 1.5 oz of product. Use a long Centrol® extender or other appropriate application device to place the product into crevices or voids. Repeat application as necessary. Do not use in the food-handling areas of food-handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are defined as those areas where prepared foods are served such as dining rooms but excluding areas where food may be prepared or held. Non-food areas are defined as areas such as garbage rooms, boiler rooms, floor drains (to receivers), utility and vestibules, offices, boiler rooms, machine rooms, boiler rooms, garages, map cabinets and storage (after catering or baking). When applying this product in the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.

*Centrol® - Registered trademark of the Centro Co.*

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Store in a cool, dry area. Always store pesticides in the original container. Store away from food and pet food.

**PESTICIDE DISPOSAL:** Waste resulting from use of this product may be disposed of as solid or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Non-refillable container. Do not reuse or refill this container. If empty, place in trash or offer for recycling if available. It partly filled: Call your local solid waste agency for disposal instructions.
