PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

CAUTION: Harmful if inhaled through skin. Caution: avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. Do not apply directly to water. Apply this product only as specified on the label. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS:

Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting.

DIRECTIONS FOR USE:

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

All residues must be out of reach of children or domestic animals. Avoid contamination of food and foodstuffs. Do not use in aircraft cabins. Before use, shake until uniform color. For best results, apply in upright position only. Do not apply near or on plastic, painted or varnished surfaces, or directly into electronic equipment such as radios, televisions, computers, telephones, etc. where the powder residue may foul or short electric contacts and circuits.

HOW TO USE Whitmire Micro-GEN CRACK & CREVICE INJECTION SYSTEM:

Use with the supplied actuator and injection tubes or other Whitmire Micro-Gen equipment. Inject into cracks and crevices or void spaces where insects may be harboring, living and hibernating. Place injection tip into cracks, crevices, holes and other small openings. Release approximately 1 sec of product. Move injection tip along cracks while treating at the rate of 3-5 ft/sec. For closed voids, calculate the void's cubic area and treat at the rate of 3-5 sec/3 ft³. For closed voids, drift small access holes. Several holes may be required for long-running voids. This product may leave a white residue. This residue will normally be removed with a damp cloth or sponge.

INDOOR TREATMENTS:

CENTIPEDES, COCKROACHES, CRICKETS, DEERMOSES, EARS, MILLIPEDES, SCORPIONS, SPIDERS AND SNAKES:

Inject into cracks and crevices or void spaces where insects may be harboring. These may include, but are not limited to, openings around pipes and sinks, under refrigerators, behind baseboards, sinks, washing machines, stoves, cabinets, sponsors, doors, floor drains and meter boxes. Bonk, FIREFLIES & SLAERFIUR:

Inject into cracks and crevices associated with baseboards, door frames, louver and other hard-to-reach places. ANTIS:

Inject cracks, crevices and voids where ants may be tunnelling and/or harboring, including, but not limited to, around doors, windows frames, walls and other structural cracks and crevices and void areas. STORED PRODUCT PESTS (Adult and Larval Stages) - Chocolate Moths, Drugstore Beetles, Flour Beetles, Grain Weevils, Indianmeal Moths, Trogoderma:

Inject into cracks and crevices and/or voids where these insects may be harboring. Infested areas may include, but are not limited to, around doors, window frames, wall voids, behind baseboards, washing machines, stoves, cabinets, sponsors, doors, floor drains and meter boxes.

Note: Always conform to federal, state and local regulations and guidelines. Do not apply in areas where children or domestic animals may be present. Do not use in aircraft cabins. Do not apply near or on plastic, painted or varnished surfaces, or directly into electronic equipment such as radios, televisions, computers, telephones, etc. where the powder residue may foul or short electric contacts and circuits.

CARPENTER BEES:

Locate bee entrance holes. Inject 5 - 10 sec of product into entrance holes. Seal entrances after application.

BEES:

Apply as a Crack & Crevice or spot treatment where evidence of bed bugs occurs. This includes bed frames, box springs, inside empty drawers and cloth closets, night stands and other non-upholstered furniture in the room, floor moldings, window casings, wall voids, behind-wall hangings, window ledges and popcorn ceilings. Take bed apart. Treat parts and channels if hollow, such as square or round tubing, and see that interior
