Insect Repellent

First Aid

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes. Then, continue rinsing eye. Call a poison control center or doctor for treatment advice.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

Hot Line Number

Have the product container or label with you when calling a poison control center or doctor, or going for emergency information.

Precautionary Statements

Hazards to Humans and Domestic Animals

This insect repellent provides effective protection that lasts up to 3 hours against mosquitoes.

Physical or Chemical Hazards

Extremely Flammable. Contents under pressure. Keep away from heat, sparks and open flame. DO NOT PUT INTO OR INCINERATE CONTAINER. Exposure to temperatures above 130°F may cause bursting.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read and Follow All Directions and Precautions on This Product Label

For Outdoor Use Only. Do not spray in enclosed areas. Never use repellents over cuts, wounds, or irritated skin. Do not apply near eyes and mouth, and apply sparingly around ears. When using sprays, do not spray directly into face, spray on hands first and then apply to face. Do not use on children under 2 years old. Do not allow children to handle this product, and do not apply to children’s hands. When using on children, apply to your own hands and then put it on the child. Apply only to exposed skin and/or clothing (as directed on the product label). Do not use under clothing. Use just enough repellent to cover exposed skin and/or clothing. Heavy application and saturation are unnecessary for effectiveness. If biting insects do not respond to a thin film of repellent, apply a bit more. After returning indoors, wash treated skin with soap and water after handling.

Storage & Disposal

Storage: Store in a cool dry place away from heat or open flame.

Pesticide Disposal and Container Handling

Do Not Put Into or Incinerate. If empty, place in trash or offer for recycling if available. If partly filled, call your local solid waste agency for disposal instructions.

The User of This Product Assumes All Risks of Use, Storage and Handling Not in Accordance With Its Directions and Cautions.
