SPA BROMINATION

ACTIVE INGREDIENT:
1-Bromo-3-chloro-5,5-dimethylhydantoin .............96.0%

OTHER INGREDIENTS: ............................................4.0%

PRECAUTIONARY STATEMENTS:
SI USTED NO ENTENDA LA ETIQUETA, BUSQUE A ALGUIEN PARA QUE SE LA EXPLIQUE A USTED EN DETALLE.

DANGER: Highly Corrosive. Causes irreversible eye damage and burns. Harmful if swallowed. Inhalation to cause respiratory irritation. Do not get in eyes, on skin or on clothing. Wear protective eye and skin protection. Avoid breathing dust and fumes. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

PHYSICAL OR CHEMICAL HAZARDS:
1. 1-2 hours every day whether spa is used or not. Do not boost water above 100°F.
2. Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call poison control center or doctor for further advice.
3. To maintain clear, clean water and insure the performance of brominating tablets:
   1. Prevent additional algae growth. Precautionary Statements: 1-2 hours every day whether spa is used or not. Do not boost water above 100°F.
   2. Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call poison control center or doctor for further advice.

ENVIRONMENTAL HAZARDS:
This product is toxic to fish and aquatic organisms.

MANTENER FUERA DEL ALCANCE DE LOS NIÑOS
