TOTAL 100.00%

NET CONTENTS: 24 FL OZ (710 ml)
This product must not be used on pets.

Harmful if absorbed through the skin. Harmful if inhaled. Causes moderate eye irritation. Avoid contact with eyes, mouth, and skin (other than intact skin). Do not apply to bedding. Wash bedding and dry using medium to high heat to kill bed bugs.

Apply ZODIAC® FleaTrol™ Carpet & Upholstery Pump Spray directly to mattresses, do not saturate the surface area equivalent to approximately three 10’ X 10’ rooms. Apply as a spot, crack and crevice, or surface application. Focus applications to hidden sites such as behind dressers, cove base, under beds, behind mirrors and pictures, and other locations where bed bugs hide.

Wipe up spills immediately after use. Some vehicles may absorb the product. To minimize product absorption, wipe up spills with a dry cloth. Should product penetrate insulation, follow good ventilation practices.

If OP1 has bleed, please extend to this blue dotted line.

NOTE TO CLIENT: Please do not remove this diagram from final art file.
NOTE: DOCUMENT RASTER SETTINGS SHOULD BE SET AT 300 RESOLUTION
