DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For indoor residential use only.

FLAMMABLE. Turn off all ignition sources such as pilot lights, other open flames or running electrical appliances that cycle on and off (i.e., refrigerators, thermostats, etc.)

USE RESTRICTIONS
• Do not allow adults, children, or pets to enter the treated area until sprays have dried.
• Do not allow adults, children, or pets to enter the treated area until vapors, mists and aerosols have dispersed, and the treated area has been thoroughly ventilated.
• Do not apply this product in a way that will contact adults, children or pets, either directly or through drift.
• Remove pets, birds, and cover fish aquariums before spraying.
• Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
• Not for broadcast use on indoor residential surfaces. Apply only as crack and crevice or spot treatment.

TO KILL COCKROACHES, ANTS, CRICKETS, SOWBUGS, CENTIPEDES, SILVERFISH, FIREBRATS, ASIAN LADY BEETLES AND SPIDERS: Spray into hiding places such as cracks, crevices, behind baseboards, cabinets, and hidden surfaces around sinks and storage areas, behind baseboards, behind and under refrigerators, cabinets, sinks and stove and in attics and crawl spaces. Retreat every 4 weeks if necessary.

DO NOT SPRAY ANIMALS OR PET FOOD: Do not use around kittens less than 12 weeks of age.

PRECAUTIONARY STATEMENTS
Hazard to Humans and Domestic Animals

Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

Hazard to aquatic animals. Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application. Do not allow adults, children, or pets to enter the treated area until sprays have dried.

Do not use around kittens less than 12 weeks of age.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE: Contents under pressure. Keep away from fire, sparks and open flame. Do not puncture or incinerate container. Contents under pressure above 130°F may cause bursting. Never leave container in parked or unattended vehicles. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully.
