Clorox Automatic Toilet Bowl Cleaner

**BLEACH IN EVERY FLUSH!**
Repels tough stains: ✓ hard water ✓ mineral ✓ limescale

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Sanitize, Clean and Deodorize: For best results, clean toilet bowl thoroughly, including under the rim. Cut open package. Do not touch tablet directly. Flush toilet. When water level in tank is low, drop tablet into the right rear corner of the tank (see diagram). When tablet has dissolved, replace with this product. Each tablet sanitizes the toilet bowl water in 5 minutes for up to 2 months. Each tablet cleans and deodorizes for up to 3 months. Effective for up to 10 flushes per day. Tablet should be used in toilets that are flushed daily.

**IMPORTANT:** Retain tablet pouch for precautions and first aid instructions.

**PRECAUTIONARY STATEMENTS:** Hazards to Humans and Domestic Animals.

**DANGER:** Highly corrosive. May be fatal if swallowed. DO NOT TAKE INTERNALLY. Causes eye and skin damage. Irritating to nose and throat. Avoid breathing dust. Do not get into eyes, on skin or clothing. Wear rubber gloves when handling and wash thoroughly after handling.

**FIRST AID:**
- If in Eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes.
- If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- If Swallowed: Call poison control center or doctor immediately for treatment advice.

**PHYSICAL AND CHEMICAL HAZARDS:** STRONG OXIDIZING AGENT. Keep away from heat or flame. Mix only with water.

**STORAGE AND DISPOSAL:** Store in original container in areas inaccessible to small children in a cool, dry, well-ventilated area. Do not store at elevated temperatures. Offer empty container for recycling. If recycling is not available, discard empty container in trash.

*Streptococcus faecalis* (Strep), *Salmonella enterica* (Salmonella), *Staphylococcus aureus* (Staph), *Escherichia coli* (E. coli)

Clorox® Disinfecting Wipes1 Citrus Blend – 9 ct.

Directions for Use:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Not for cleaning or sanitizing skin. Do not use as a diaper wipe or for personal cleansing. To Disinfect: Use to disinfect hard, nonporous surfaces. Wipe surface to be disinfected. Use enough wipes for treated surface to remain visibly wet for 4 minutes. To kill viruses1, let stand 15 seconds. Let surface dry. For highly soiled surfaces, clean excess dirt first. To Sanitize: Use to sanitize/deodorize hard, nonporous, non-food contact surfaces. Wipe surface. Use enough wipes for treated surfaces to remain visibly wet for 10 seconds. Let surface dry. For highly soiled surfaces, clean excess dirt first. For surfaces that may come in contact with food, a potable water rinse is required. This product is not for use on dishes, glassware or eating utensils. This product will not harm most surfaces, including acrylic, sealed fiberglass, sealed granite, finished hardwood and vinyl. Not recommended for use on unpainted wood and unfinished, unsealed, unpainted, waxed, oiled or worn surfaces. Test a small area first. † Human Coronavirus, Influenza A2 Virus

PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals.

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. FIRST AID: If in Eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For further information, call 1-800-227-1860.

PHYSICAL OR CHEMICAL HAZARDS: Do not use or store near heat or open flame.

STORAGE AND DISPOSAL: Dispose of wipe in trash after use. Do not flush. Offer for recycling if available or discard empty wrapper in trash. Contains no phosphorus.
