NET 32 FL. OZ. (1 QT) 946 mL

5. When used on food contact surfaces such as counters and tables, wipe thoroughly with suitable water. Do not use on dishes, glasses or silverware.

TO CONTROL MOLD & MILDEW on precleaned, hard, non-porous surfaces: Spray thoroughly, making sure to wet surface completely. Allow to stand for 1 hour. Wipe off with a clean, damp sponge or cloth and rinse thoroughly. Repeat as necessary.

FUNGICIDAL ACTIVITY: Marine Spray Nine kills Trichophyton mentagrophytes (pathogenic fungi that causes Athlete's Foot Fungus) and Candida albicans in areas such as showers and bath areas, locker room and shower areas.

STORAGE AND DISPOSAL: Store at 5°C (41°F) to 30°C (86°F). Do not store under direct sunlight. Return any product used to the container. Do not store near food or pet food. Keep out of the reach of children.

PRECAUTIONARY STATEMENTS:
- Hazard to humans and domestic animals. Caution: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. For prolonged use, protective glasses are recommended. Wash thoroughly with soap and water after handling.

FIRST AID:
In eyes: Hold eyelids open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes. Then continue rinsing eyes. Call a Poison Control Center or doctor for treatment advice.

In case of skin contact: Wash skin thoroughly with soap and water. Call a Poison Control Center or doctor for treatment advice.

In case of clothing: Take off contaminated clothing. Skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.
