This Eco-Spray® bottle uses a patented mechanical delivery system to create an aerosol-like spray.

BEN'S 30 TICK & INSECT REPELLENT WILDERNESS FORMULA provides just the right protection for the entire family against ticks, mosquitoes and all types of biting insects while camping, hiking and enjoying all other outdoor activities.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

Shake well. Spray on all exposed skin areas, keeping nozzle pointed away from face. Do not inhale. Do not apply over cuts, wounds or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over-application of this product. Wash hands after applying. After returning indoors, wash treated skin with soap and water. Wash treated clothes before wearing again. Do not spray in enclosed areas. For ticks and chiggers, apply to shoe tops, socks and around openings in clothing. Repeat as needed.

Storage and Disposal:

Storage: Store in a cool dry (preferably locked) storage area inaccessible to children and pets and away from heat or open flame.

Disposal: If empty: Do not reuse this container. Place in trash or, if available offer for recycling. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**REPELS INSECTS THAT MAY TRANSMIT WEST NILE VIRUS & Lyme Disease**

**TICK & INSECT REPELLENT**

**ACTIVE INGREDIENT:**

- DEET: 30%

**OTHER INGREDIENTS:**

- 70%

Total: 100%

*(CAS Number 134-62-3)*

**PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals**

**WARNING:** Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed. Use of this product may cause skin reaction in rare cases. If you suspect a reaction to this product, discontinue use, wash skin and call your local poison control center. If you go to the doctor, take this repellent with you.

**First Aid:**

- **If In Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center for treatment advice.
- **If swallowed:** Immediately call a poison control center or doctor for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor or going for treatment. For more information on this product, contact the U.S. National Poison Control Network at 1-800-222-1222.

**Physical and Chemical Hazards:**

- Exposure to temperatures above 130°F may cause bursting. Keep off synthetics, plastics, furniture and painted surfaces. May damage leather.

**Health Concerns: Probable mucosal damage may contraindicate the use of gastric lavage.**

**Medical Emergencies:**

- Probable mucosal damage may contraindicate the use of gastric lavage.

**Inhalation:**

- Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
