**Wasp, Bee & Hornet Killer**

**REACHES NESTS UP TO 20 FEET ABOVE GROUND.**

DIELECTRIC BREAKDOWN VOLTAGE: 40.1 kV by ASTM Test Method D-877.

This product can be used both indoors (attics and other places where nests are built) and outdoors on wasp, bee, hornet and yellow jacket nests. Gives rapid knockdown and kill of wasps, bees, hornets and yellow jackets.

Gives rapid contact and residual kill of listed insects returning to the treated nest.

**ACTIVE INGREDIENTS:**

- Tetramethrin [(1-cyclohexene-1,2-dicarboximido) methyl] + 2,2-dimethyl-3-(2-methylpropenyl) tetrahydropyran-3-yl isocyanate]...
- 3-Phenoxybenzyl-(1RS, 3RS; 1RS, 3SR)-2,2-dimethyl-3-(2-methylprop-1-enyl) cyclopropanecarboxylate...
- 0.125%

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION**

Harmful if swallowed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

**USER SAFETY REQUIREMENTS**

Applicants and other handlers must wear long-sleeved shirt and long pants, shoes plus socks, and chemical-resistant gloves made of any waterproof material.

Follow manufacturer’s instructions for cleaning/maintaining Personal Protective Equipment. If such instructions for washable material exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and all absorbent materials that have been disinfected or heavily contaminated with this product’s concentrate. Do not reuse them.

**USER SAFETY RECOMMENDATIONS**

User should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

**FIRST AID**

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Handle this product only after putting on protective coveralls or label with you when calling a poison control center or doctor or going for treatment.

**NOTE TO PHYSICIAN:** Contains Petroleum Distillate. Vomiting may cause aspiration pneumonia.

**ENVIRONMENTAL HAZARDS for INDOOR USE**

This product is extremely toxic to aquatic organisms, including fish and aquatic invertebrates. Do not contaminate water when disposing of equipment, washwaters or rinsates. See Directions for uses of aquatic precautions and requirements.

**ENVIRONMENTAL HAZARDS for OUTDOOR APPLICATIONS**

This product is extremely toxic to aquatic organisms, including fish and aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwaters or rinsates.

**PHYSICAL OR CHEMICAL HAZARDS**

**EXTREMELY FLAMMABLE**. Contents under pressure. Keep away from sparks and heated surfaces. DO NOT PUNCTURE OR INCINERATE CONTAINER. Exposure to temperatures above 130°F may cause bursting.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**USE RESTRICTIONS**

Do not enter or allow others to enter treated areas until sprays have dried. Wait two (2) hours after application, then open windows, vents and doors for 2 hours. If an odor is still detected, additional ventilation is required.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

Do not apply when food is present.

Remove pets, birds, and cover fish aquaria and ornamental fish ponds before spraying, and turn aquarium systems off.

Do not make applications during rain. Do not water the treated area of the pond or stream.

Avoid contamination of food and feedstuffs. Do not use in or near areas of food handling establishments, restaurants, or other areas where food is commercially prepared or processed. Do not use in or near areas where food is exposed or facility is in operation. Ponds, lakes, streams, and other waters where fish is served, such as dining rooms, including those where fish may be prepared or held. In the home, cover all food processing surfaces and utensils during treatment or wash thoroughly before use.

Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain/ditch or other application.

For control of wasps, bees, hornets and yellow jackets: The best time to spray the nest is in the early morning or early evening, when temperature is cooler and most insects are not on the nest and hive activity is covered around the nest opening. Spray only if the air is still. Stand at a safe distance from the nest, not directly under it. Hold container upright at arm’s length, point the actuator of the nest and spray in the opening of the nest first. Then spray the rest of the nest area until saturated. Treated insects may fall out of the nest and die. Any insects returning to the nest after treatment will be killed. Wait 48 hours before removing the nest. foliage of desirable plants that were contacted with spray should be rinsed off.

Other than applications to building foundations, up to a maximum height of three feet, all outdoor applications to impervious surfaces such as sidewalks, driveways, patios, pavers and structural surfaces (such as windows, doors and eaves) is limited to spray and crank- and-crevice applications only.

Do not USE THIS PRODUCT ON LIVING DECORATIVE TREES, SHRUBS OR ORNAMENTAL PLANTS.

When using indoors and outdoors, avoid wetting asphalt tile, shingles, metallic or plastic materials. Do not apply on an inaccessible area before using near any other type of surface.

**STORAGE & DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. PESTICIDE STORAGE: Store in a cool, dry area away from heat or flame.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: DO NOT PUNCTURE OR INCINERATE CONTAINER. In or on the area for recycling if available. Partially filled. Call your local solid waste agency for disposal instructions.

**TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE USER OF THIS PRODUCT ASSUMES ALL RISKS OF USE, STORAGE AND HANDLING IN CONFORMITY WITH ITS DIRECTIONS AND CAUTIONS.**

**KEEP OUT OF REACH OF CHILDREN**

MANTÉNGASE FUERA DEL ALCANCE DE LOS NIÑOS
