RE: Canceled FIFRA Section 24(c) registration OR-010023

RO-NEET 6-E (a.i. cycloate) on Spinach
EPA Reg. No. 73637-5, EPA SLN No. OR-010023
Section 24(c) Registrant: TRI AG, INC.
Distributor Label: Helm Agro US Inc.

The purpose of the letter is to notify Helm Agro US Inc., that TRI AG, INC., the registrant of EPA SLN No. OR-010023, has voluntarily canceled EPA SLN No. OR-010023. The cancelation was effective April 17, 2015. This action invalidates the Helm Agro US Inc. distributor label (EPA Reg. No. 73637-5-74530), which expired December 31, 2014.

Because the Helm Agro US Inc. distributed label for OR-010023 expired in 2014, it could not be registered in 2015. Please expect to receive a refund from the Oregon Department of Agriculture. Please remove any references to this expired and invalid SLN on your website, or other sources of information. Thank you.

Sincerely yours,
