This product restores water sparkle and comfort by killing harmful bacteria and algae and destroying non-filterable swim-mer wastes such as perspiration and suntan oils. These wastes can cause cloudy, dull water, eye irritation and strong

**ACTIVE INGREDIENT:**
Sodium dichloro-s-triazinetrione dihydrate .... 99.0%

**OTHER INGREDIENTS** ....................................... 1.0%

**TOTAL INGREDIENTS** ..................................... 100.0%

**DIRECTIONS FOR USE:**

1. Ensure all pool equipment is working properly. Clean or backwash filter following manufacturer’s directions. Adjust pH to between 7.2-7.6. In chlorine treated pools, add stabilizer to establish a minimum stabilizer level of 30-40 ppm to reduce the degradative effects of sunlight upon the chlorine residual. Do not add stabilizer to brominated pools. Before using this product, test pH of water in the deep end of the pool. When the pool is not in use generally at night.

2. With the pool pump in operation, broadcast the product evenly into the deep end of the pool. In BLEACHABLE POOL SURFACES.

3. In water temperatures less than 70º F, or as an alternate application procedure, pre-dissolve this product prior to applying evenly to the deep end of the pool. Dissolve this product outdoors, in a clean plastic bucket stirring with

4. For weekly application intervals in swimming pools, add 1 lb (see Application Methods) of this product per 20,000 gallons of water into the deep end of the pool, when the pool is not in use (preferably at night).

5. Re-apply after heavy rain showers or following heavy bather loads.

**APPLICATION METHODS:**

1. With the pool pump in operation, broadcast the product evenly into the deep end of the pool. In bleachable surface pools such as vinyl, paint, fiberglass, or colored plaster, brush the pool after application to ensure complete

2. Pre-dissolve this product prior to applying evenly to the deep end of the pool. Dissolve this product outdoors, in a clean plastic bucket stirring with

3. For weekly application intervals in swimming pools, add 1 lb of this product per 20,000 gallons of water into the deep end of the pool, when the pool is not in use generally at night.

4. Re-apply after heavy rain showers or following heavy bather loads.

5. Keep out of reach of children

**DANGER:**

SEE BACK PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS.

**FIRST AID: IF INHALED:**
Move person to fresh air. If person is not breathing, call 911 or an ambulance. Then give artificial respiration, preferably mouth-to-mouth, if possible. Call poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:**
Wash thoroughly after handling. Remove contaminated clothing and wash before reuse.

**IF IN EYES:**
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. See back panel for additional precautionary statements.
