**FIRST AID**

**TREATMENT FOR PET POISONING**

**IMPORTANT:** If poisoning occurs, seek emergency medical attention immediately. Do not induce vomiting unless told to do so by the poison control center or doctor. Have person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person. Call a poison control center, doctor, or 1-877-854-2494 immediately for treatment advice.

**WARNING:** Call a poison control center, doctor, or 1-877-854-2494 immediately for treatment advice.

**WASHING & CLEANING**

- Wash with plenty of soap and water.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Have person sip a glass of water if able to swallow.

**STORAGE & DISPOSAL**

- Store only in original container in a cool, dry place inaccessible to children and pets. Keep out of reach of children.
- Store in a dry place inaccessible to children.
- Lifted, units must be secured or otherwise immobilized. Stronger bait stations are needed in areas open to hoofed livestock, raccoons, cats, and dogs. These stations must be resistant to destruction by dogs and by children under six years of age and must be used in a manner that prevents non-target mammals, or birds may access the bait.
- These stations must be resistant to destruction by dogs and by children under six years of age and must be used in a manner that prevents non-target mammals, or birds may access the bait.
- Dispose of product container and unused, spoiled or unconsumed bait as specified on this label.

**ENVIRONMENTAL HAZARDS**

- Do not apply to riparian or other wetland vegetation, or on any water, stream, or lake.
- Apply the bait only to the soil or litter containing bait, in areas open to non-target mammals, in areas where children, domestic animals and pets can be exposed to these treatments.
- Apply bait only to the soil or litter containing bait, in areas open to non-target mammals, in areas where children, domestic animals and pets can be exposed to these treatments.
- Apply only where pets are not present.
- Do not apply near wells or other water supplies.
- Do not apply near fish ponds or other fish habitats.
- Do not apply near fish ponds or other fish habitats.
- Do not wash equipment or any equipment used in treating bait before washing it in the normal manner.
- Do not wash equipment or any equipment used in treating bait before washing it in the normal manner.

**Precautionary Statements**

- Warning: Harmful if swallowed or absorbed through the skin. Keep away from children, domestic animals and pets. Do not get in eyes, on skin or on clothing.
- Warning: Harmful if swallowed or absorbed through the skin. Keep away from children, domestic animals and pets. Do not get in eyes, on skin or on clothing.
- Keep out of reach of children.
- Do not expose children, pets or nontarget animals to rodenticides. To help prevent exposure: See side panels for First Aid and additional precautionary statements.
