PRECAUTIONARY STATEMENTS
Hazard to Humans and Domestic Animals
CAUTION: Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

FIRST AID
IF SWALLOWED: Call a Poison Control Center or Doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the Poison Control Center or Doctor. Do not give anything by mouth to an unconscious person.
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or Doctor for treatment advice.
IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or Doctor for treatment advice.
HOT LINE NUMBER
Have the product container or label with you when calling a Poison Control Center or Doctor, or going for treatment. You may also call 1-800-225-3624 for emergency medical treatment information.

DIRECTIONS FOR USE
It's a violation of Federal law to use this product in a manner inconsistent with its labeling.
To Control Roaches - Domestic Use:
Apply the gel evenly behind and under the following: Stoves, refrigerators, dishwashers, sinks, washing machines, tubs, water pipes, drains, sewers, manholes, electrical conduits, cracks and crevices of baseboards, in corners of cupboards, cabinets, and closets. Remove drawers from chests and cabinets, apply freely into corners of drawer wells. Reapply every two to three months. Remove excess gel and dispose into garbage. Be sure not to apply in areas accessible to children and pets. Avoid contamination of food and feed.
To Control Roaches - Crack and Crevice Treatment:
In food and feed handling establishments: Application is limited to cracks and crevices treatment only in areas where food and feed are received, stored, prepared, packaged (canning, boxing or wrapping) or served. Care must be taken to avoid depositing this product on serving surfaces where food and feed are processed. Use this product only in cracks and crevices in food and feed handling establishments.

DIRECTED TO INJECTOR TOGETHER
Insert Plunger (A) into the tube (B). Gently push the plunger into the tube (DO NOT REMOVE the clear "piston" already inside the tube). You will hear a "SNAP". This is the plunger hooking onto the clear piston. Remove the Protective end cap (C) slowly push in the plunger to release gel contents.

Serving Areas: In Dining Rooms, apply into cracks and crevices such as baseboards and floor cracks. Avoid areas likely to be contacted by food.
Non Food Areas: Apply to cracks and crevices and around water pipes in areas such as garbage rooms, locker rooms, mop closets, boiler rooms, and lavatories.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage and disposal.
STORAGE: Store in a cool, dry place inaccessible to children and pets.
DISPOSAL: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
