IF IN EYES:
• Hold eyes open and rinse slowly and gently with water for 15–20 minutes.
• Remove contact lenses, if present, and continue rinsing for an additional 5 minutes if lenses are not disposable.
• Call a poison control center or doctor for treatment advice.

IF SWALLOWED:
• Call a poison control center or doctor for treatment advice.
• Rinse mouth with plenty of water.
• Do not induce vomiting unless told to do so by a physician or poison control center.
• Have person sip a glass of water if able to swallow.

IF INHALED:
• Move person to fresh air.
• Remove them from all exposure.
• Call a poison control center or doctor for treatment advice.

IF SKIN OR CLOTHING:
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water.
• Remove clothing/PPE immediately if pesticide gets inside. Then wash promptly with soap and water.
• Have affected person shower or bathe.

IF INHALED:
• Move person to fresh air.
• Remove them from all exposure.
• Call a poison control center or doctor for treatment advice.

IN CASE OF AN EMERGENCY:
Do not contaminate water, food, or feed by storage or disposal.

FIRST AID:
• Hold eyes open and rinse slowly and gently with water for 30 minutes.
• Remove contact lenses, if present, and continue rinsing for an additional 5 minutes if lenses are not disposable.
• Call a poison control center or doctor for treatment advice.

NOTE TO PHYSICIAN:
• Maintain adequate ventilation and oxygenation of the patient. Chemical eye burns may require artificial respiration, preferably mouth-to-mouth, if possible.
• Protect the eye from further exposure.
• Maintain and monitor heart and respiratory function.
• Do not give anything by mouth to an unconscious person.

USING PESTICIDE DISPOSALS, MISUSES AND EMISSIONS STREAMLINES
• Call a poison control center or doctor immediately for treatment advice.
• Do not reuse or refill this container. Completely empty liner by spraying it into a designated waste treatment system.
• Do not add to any drain or sewer system.
• Do not add to irrigation water system.
• Do not use for美术材料 containing water.
• Do not use around food or feed areas.

PRODUCT NOT REGISTERED FOR USE IN CALIFORNIA
• Call a poison control center or doctor immediately for treatment advice.
• Do not reuse or refill this container. Completely empty liner by spraying it into a designated waste treatment system.
• Do not add to any drain or sewer system.
• Do not add to irrigation water system.
• Do not use around food or feed areas.

OTHER INGREDIENTS
• Diiodomethyl-p-tolyl sulfone.

AMICAL™ 48

AMICAL™ 48 is formulated in aqueous and solvent-based systems. Use levels depend on the condition of the patient.

IN CASE OF AN EMERGENCY:
Do not contaminate water, food, or feed by storage or disposal.

E.P.A. No. 83434-L-001
