Liquid Sanitizer
For Use Only With the Ecolab Quadexx™ Dispensing System

FIRST AID
IF IN EYES: Hold open eyes and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. IF SWALLOWED: Call a poison control center or doctor for treatment advice. Have person sit a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor.

NOTES: Specialized medical treatment for POISONING is not required for this product. This product is considered a POISON. DO NOT TAKE INTERMEDIATE TREATMENT FOR POISONING IF VOMITING IS INDUCED.

ENVIRONMENTAL HAZARDS:
This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other public waters unless in accordance with regional or local sewage treatment plant policies. If in doubt, contact the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL
BACTEROIDES CONTROL
Do not significantly reduce the incidence of Streptococcus viridans and S. dysgalactiae enteritidis in chain manufacturing environments by fogging concentrations of less than 25 ppm available chlorine. Fogging should be used as a supplement to approved manual cleaning and sanitizing of surfaces as described above.

Directing for Fogging:
Fogging is intended to be used on surfaces to remove or severely contaminate all food products and packaging materials. Fog dry areas using one of the following concentrations of this product with 13 gallons of water to provide approximatley 600 ppm available chlorine. Sanitize 600 ppm available chlorine with an approved sanitizer for at least 10 minutes. Do not rinse with water after treatment.

DO NOT KEEP IN REACH OF CHILDREN
