WARRANTY AND LIMITATION OF DAMAGES
To the extent consistent with applicable law, Suterra LLC warrants that this material conforms to the chemical description on the label and is reasonably free of the other factors stated in the Directions for Use. To the extent consistent with applicable law, Suterra LLC neither makes nor represents to any agent or representative to make any other warranty of fitness of or merchantability or representation or warranty as to the quality or characteristics of this material regardless of the information on the label. Neither this warranty nor any other warranty made by Suterra LLC, whether express or implied, concerning this material. To the extent consistent with applicable law, Suterra’s maximum liability for breach of this warranty shall not exceed the purchase price of this product. To the extent consistent with applicable law, the buyer and user acknowledge and assume all risks and liabilities resulting from the handling, storage and use of this material contrary to label instructions.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Harmful if swallowed, absorbed through the skin, or inhaled. Causes moderate eye irritation. Causes moderate skin irritation. Causes severe burns and systemic effects when eye, skin or respiratory tract are exposed, especially for children. Breathe fresh air. Immediately remove contaminated clothing and wash skin and eyes thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove contaminated clothing and wash before reuse. Wear chemical resistant gloves and protective eyewear.

FIRST AID
IF SWALLOWED: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for at least 15 minutes. Call a Poison Control Center or doctor for further treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for further treatment advice.

EMPTY CONTAINERS: May remain poisonous for many months. Do not incinerate. Do not burn the container.

PESTICIDE DISPOSAL:
Store unused product in a refrigerator or freezer not used for food storage. Do not exceed a total of 150 grams a.i./acre/year and prevalent wind, apply one dispenser to every tree on the upwind side of the orchard and then evenly in a strip from the upwind side of the orchard to the edge of the crop to be protected. Place dispensers in the upper one-third of the tree, or higher. If there is a persistent and prevalent wind, apply one dispenser to every tree on the upwind side of the orchard and then evenly in a strip from there to the edge of the crop. Do not handle other types of insect traps before or after dispenser placement without thoroughly washing hands. Place monitoring traps in the orchard before handling CheckMate OFM Dispenser. Monitor treatments carefully, especially for secondary pests such as peach leaf borer. Reseal containers immediately after use. Do not use CheckMate OFM Dispenser from damaged, punctured or unsealed containers.

APPLICATION NOTES
For best results, apply at the time or shortly before oriental fruit moths, macadamia nut borer moths or loa seedworm moths begin to emerge in the spring (biofix), or when the moths are first detected in pheromone traps such as BioLure®. This product only affects adult male moths and will have no effect on female moths or larvae. Do not apply to water, or to areas where surface water is present or to intertidal areas below the high water mark. Do not contaminate water when disposing of equipment washwater or rinsates.

STORAGE AND DISPOSAL
DO NOT contaminate water, food or feed by storage or disposal. PESTICIDE STORAGE: Store container in cool place until used. Reseal containers immediately after use. Store unused product in a refrigerator or freezer not used for food storage. PESTICIDE DISPOSAL: Washes resulting from the use of this product may be disposed of on-site or at an approved disposal facility. CONTAINER DISPOSAL: Plastics Container: Nonrefillable container. Do not use or refill this container. Tire and canned or reconditioning or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned stay out of smoke.Metal and Glass Container: Nonrefillable container. Do not use or refill this container. Dispose of empty punctured or unsealed containers.
