KEEP OUT OF REACH OF CHILDREN

WARNING

See below for First Aid and Precautionary Statements.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS
Causes substantial but temporary eye irritation. Do not get in eyes or on skin or clothing. Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

HAZARDS TO DOMESTIC ANIMALS
For external use on dogs only. Do not use on animals other than dogs. Do not use on puppies under seven weeks of age.
- Do not get this product in dog's eyes or mouth. If any product, consult your veterinarian before using this product on dehydrated, aged, pregnant or nursing animals. Individual sensitivities, while rare, may occur after using any pesticide product for pets. If symptoms persist, or become more severe, consult your veterinarian immediately.
- If your animal is on medication, consult your veterinarian before using this or any other product.

DO NOT USE ON CATS

Due to their unique physiology and inability to metabolize certain compounds, this product must not be used on cats. If applied by or on a dog which acts as a reservoir of fleas and lice treated on a dog, this product may have serious harmful effects. If this occurs, contact your veterinarian immediately.

For consumer questions call 1-800-255-3824.
For medical emergencies call 1-800-442-9874.

Environmental Hazards
This product is extremely toxic to fish. Do not add directly to water. Do not contaminate water when disposing of product or packaging.

FIRST AID
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
- If in eyes: Hold eye open and rinse slowly and gently with water for 15-30 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- If on skin: Wash skin immediately with plenty of water for 15-30 minutes. Call a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.
- If on skin or clothing: Take off contaminated clothing.

To Physician: Treat the patient symptomatically.
