DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

PREVENTIVE DOSAGE RATES: Use one FROG BAM® for pools up to 15,000 gallons of water every 3 months. Use two FROG BAM® for pools between 15,000 and 30,000 gallons of water every 3 months.

TREATMENT DOSAGE RATES: Use two FROG BAM® for pools between 15,000 and 30,000 gallons of water. Use four FROG BAM® for pools between 30,000 and 60,000 gallons of water.

PLACEMENT: Turn circulation pump off, turn dial to Pac Removal, Setting 0 or OFF depending on the model, and remove cap from Cycler. If Bac Pac is currently being used inside the Mineral Reservoir, remove and set aside. Remove cap from FROG BAM® without removing the seal and insert container upside down into the center of the POOL FROG® Mineral Reservoir, pushing down firmly to puncture seal. Replace the cap on the Cycler. Turn control dial on the Cycler to Maximum, Setting 5 or ON depending on the model and turn pump on for 90 minutes allowing FROG BAM® to circulate through the pool.

REMOVAL: Turn pump off, turn dial to Pac Removal, Setting 0 or OFF and remove Cycler cap. Lift the FROG BAM® container up and allow any water in the container to drain through the Cycler before discarding. NOTE: After discarding FROG BAM®, if water shows more than a hint of blue inside Cycler, replace the Cycler cap, turn dial to Maximum, Setting 5 or ON and run the pump for one minute. Repeat Placement and Removal instructions if additional FROG BAM® is required. Then insert a POOL FROG® chlorine Pac following the directions on its label.

FIRST AID: Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. If Swallowed: Call poison control center or doctor immediately for further treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. If Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice. If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-434-9300 for emergency treatment information.

ALGAE KNOCK-OUT CHAMP 90-Day Algae Protection

PRODUCT DESCRIPTION: FROG BAM®, when used with the complete POOL FROG® Mineral System, protects a swimming pool against even the toughest algae. Just one initial dose will prevent algae for a full 90 days. Its one of a kind formula works so well, using once every 3 months ensures no messy algae clean-ups and no weekly additives. It’s easy. It’s effective. It’s powerful! FROG BAM® - from the makers of FROG® - the water treatment experts.

USER SAFETY RECOMMENDATIONS: User should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. User should remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

ENVIROMENTAL HAZARDS: This pesticide is toxic to fish and aquatic invertebrates. Treated effluent should not be discharged in lakes, ponds or public water.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage and disposal. Pesticide Storage: Store this product in a cool, dry place away from children and pets. Pesticide Disposal and Container Handling: Non-refillable container. If empty: Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEAN-UP for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: Neither King Technology, Inc. nor the seller of this product can accept any responsibility for the manner in which it was intended. FROG BAM® must be used in accordance with King Technology’s operating instructions. Failure to use FROG BAM® as instructed will void the warranty.

ATTENTION: POOL FROG® MINERAL SYSTEM USERS!

King Technology Inc. warrants its FROG BAM® product for a period of 90 days to eliminate algae from inground or above ground swimming pools when used properly with the POOL FROG Mineral System and if (a) FROG BAM is added to the pool every 90 days (b) the POOL FROG® Mineral Reservoir has been replaced within 6 months (c) the pool maintains a chlorine residual of at least 0.5 ppm at all times and (d) the pool is properly balanced.

**Consumer Claims Terms and Conditions**

If algae occurs during the 90 day warranty period for your FROG BAM notify your FROG® dealer and provide him with (a) sales receipt showing purchase of a POOL FROG Mineral Reservoir within 6 months of the date of claim, (b) sales receipt showing purchase of FROG BAM within 90 days of the date of claim and (c) a pool water sample showing proper chlorine levels, pH balancing and normal cyanuric acid levels. If dealer approves the claim, you will be provided with enough FROG BAM to take care of the algae problem. Follow label directions for treatment carefully.

This warranty is the exclusive warranty for FROG BAM. This warranty is not transferable. **KING TECHNOLOGY, INC. MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AS TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER MATTER WITH RESPECT TO FROG BAM.** All claims for FROG BAM, whether in contract, negligence, strict liability or any other tort or otherwise are deemed waived or released unless made within the 90 day warranty period for FROG BAM to your local FROG dealer with the proofs of claim required. YOUR EXCLUSIVE REMEDY SHALL IN NO EVENT EXCEED PROVIDING YOU WITH ADDITIONAL FROG BAM TO CURE THE ALGAE PROBLEM. IN NO EVENT WILL KING TECHNOLOGY, INC. BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES RESULTING FROM ANY CAUSE. King Technology, Inc. will not be liable for any product misuse, incorrect water balancing, allowing the chlorine residual to drop below standards provided above, not cleaning the pool filter when needed or improper circulation time per day.

**Dealer Instructions**

To handle an algae claim, proceed as follows:

1. Collect all sales receipts requested above.
2. Test pool water for a chlorine residual of at least 0.5 ppm, proper pH levels of 7.2 to 7.8, proper alkalinity of 60-120 ppm and proper cyanuric acid levels of 20-80 ppm.
3. If pool test meets requirements and their circulation time was at least 6-8 hours per day, give the consumer enough FROG BAM to treat the algae at no charge (see label directions for algae treatment).
4. Send a no charge FROG BAM invoice stating consumer name, address, phone number and email address, along with all consumer documentation, including the pool test readings, to BAM Guarantee, c/o King Technology, Inc., 530 11th Avenue So., Hopkins, MN 55343.
5. Reimbursement will be replacement FROG BAM in the same quantity sent directly to your dealership.
