STERI-SEAL® “D”

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Treating Pears (Post Harvest) – For the control of Blue Mold, Grey Mold, Mucor Rot and Side Rot. Use 1 U.S. gallon of Steri-Seal “D” to 63 U.S. gallons of water to create a .43% sodium o-phenylphenate tetrahydrate treating solution. Dip fruit for a maximum contact time of 1 minute, then rinse immediately with potable water. Maintain a pH of 11. When necessary to stop washer, fruits in process of treatment should be rinsed or removed immediately. Do not use Steri-Seal D in rinse.

Washing tank should be emptied, cleaned and filled with fresh solution after treating 3,000 lbs. of fruit for each 1 U.S. gallon of washing solution content, unless the accumulation of dirt, leaves, or trash requires more frequent changes.

ENVIRONMENTAL HAZARDS
This product is toxic to fish and wildlife. Do not apply directly to water or wetlands. Do not clean equipment or dispose of equipment wash waters in a manner that will contaminate water resources.

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing before discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DISCLAIMER
The manufacturer and distributor make no warranty, express or implied, concerning the use of this product other than as directed on the label. The use of this product being beyond the control of the manufacturer or distributor, no warranty, express or implied, is made as to the results of such or the results to be obtained or not used in accordance with directions or established safe practice. To the extent consistent with applicable law upon acceptance of delivery of this product, the buyer assumes all responsibility, including injury or damage, resulting from misuse as such, or in combination with other materials.

A fungicide for Post Harvest Treatment of Pears

Active Ingredient:
Sodium orthophenylphenate (anhydrous) ........... 22.6%
Inert Ingredients: ........................................ 77.4%
Total:.......................................................... 100.0%

*Equivalent to 2.85 lbs./31% Sodium o-phenylphenol tetrahydrate KEEP OUT OF REACH OF CHILDREN

DANGER
PRECAUTIONARY STATEMENT
HAZARDS TO HUMANS
CORROSIVE: Causes irreversible eye damage and skin burns. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid breathing vapor or spray mist. Wear coversalls over long-sleeved shirt and long pants, socks and chemical-resistant footwear, goggles or face shield, and chemical-resistant gloves (such as barrier laminate or butyl rubber, nitrile rubber, neoprene rubber, PVC or viton). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

See side panel for additional precautionary and first aid information.

FOR INDUSTRIAL AND COMMERCIAL USE
EPA Reg. No. 57227-7
EPA Est. No. 57227-OR –03

Produced by:
CONTECTECH INC.
PO Box 3255
Portland, OR 97208
(503) 283-3021

NET CONTENTS: 55 Gallons (U.S.)
NET WEIGHT: 506 lbs.

FIRST AID
IF IN EYES
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for at least 15-20 minutes.
• Call a poison control center or doctor for treatment advice.

IF SWALLOWED
• Call a poison control center or doctor immediately for treatment advice.
• If person sip a glass of water if able to swallow.
• Do not induce vomiting unless told to do so by the poison control center or doctor.
• Do not give anything by mouth to an unconscious person.

IF INHALED
• Move person to fresh air.
• If not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.
• Call a poison control center or doctor for further treatment advice.

HOT LINE NUMBER
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information call 1-877-285-3021, M-F 8:00am-4:30pm pst, Chemtrac 24 hours, 1-800-424-9300, or your local poison control center.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastro lavage.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: This product must be kept under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its use.

PESTICIDE DISPOSAL: Pesticide waste is extremely hazardous. Improper disposal of excess pesticide spray mixture, or rinseate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your state Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Then offer for recycling, if available, or reconditioning, if appropriate, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

Note: If drums are to be recycled, replace cap and store outside. Stack with bottom up. Steri-Seal D in its undiluted form is highly alkaline. Care must be exercised when emptying the undiluted concentrate from the drum or when filling the dispenser tank, to avoid splashing on face, hands or in eyes. Do not use at a concentration higher than indicated on the label. Do not use in a manner other than indicated on this label.

DO NOT USE STERI-SEAL D IN RINSE.
