Fungitrol™ 430S fungicide

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER
Corrosive. Causes irreversible eye damage. Harmful if swallowed or inhaled. Do not get in eyes or on clothing. Avoid contact with skin. Avoid breathing vapor or spray mist. Wear protective eyewear (goggles, face shield, or safety glasses). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS
This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

NOTE: READ THE MATERIAL SAFETY DATA SHEET BEFORE USING THIS PRODUCT.

IN CASE OF TRANSPORTATION EMERGENCY CALL CHEMTREC 800-424-9300 (703-572-3897)

Active Ingredients:
3-iodo-2-propynyl butyl carbamate \( \text{30.00%} \) Other Ingredients \( \text{70.00%} \) TOTAL \( \text{100.00%} \)

EPA Reg. No. 1529-42
EPA Est. No. 74655-GA-001

KEEP OUT OF REACH OF CHILDREN DANGER
FIRST AID
IF IN EYES:
Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR ON CLOTHING:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED:
Move the person to fresh air. If not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

NOTICE TO PHYSICIAN:
Possible mucosal damage may contraindicate the use of gastric lavage.

EMERGENCY MEDICAL INFORMATION:
800-241-7439

Have the product container or label with you when calling a poison control center or doctor or giving for treatment.

STORAGE AND DISPOSAL
DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE AND DISPOSAL

PESTICIDE STORAGE:
Do not store with strong oxidizing agents or strong (concentrated) acids. Keep container tightly closed when not in use.

PESTICIDE DISPOSAL:
Solid wastes are acutely hazardous. Improper disposal of excess pesticide, spray rinse, or rinse water is violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your local State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING:
For containers less than or equal to 50 lbs. Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container \( \frac{1}{4} \) full with water and recap. Shake for 10 seconds. Pour rinse into application equipment or a mix tank or store rinse for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then pour for recycling or reconditioning, or purify and dispose of in a sanitary landfill, incineration, or in accord With state and local authorities, by burning. If burned stay out of smoke.

FOR CONTAINERS greater than 50 lbs.
Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container \( \frac{1}{4} \) full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinse into application equipment or a mix tank or store rinse for later use or disposal. Repeat this procedure two more times. Then offer for recycling or reconditioning, or purify and dispose of in a sanitary landfill, or incinerate, or, if allowed by state and local authorities, by burning. If burned stay out of smoke.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR INDUSTRIAL USE ONLY
The following are suggested use levels for Fungitrol™ 430S Fungicide. The suggested use levels of Fungitrol™ 430S Fungicide are given in percentage by weight. For use as a preservative in manufacturing dry film paint generally use 0.4-3.0% in wet paint, for aqueous metal working, cutting, cooling and lubricant fluids and concentrates use 0.1-1.75%, for paper coatings use 0.5-2.85%, for plastics and plastic coatings use 0.17-3.75%, for corrugate use 1.5-4.5%, for paper use 2.2-3.5%, for pigment dispersions, starches, and gypsum starters for boardway (drywall) and gypsum board use 0.015-3%. For household, consumer, industrial, institutional, and janitorial products (such as liquid and solid air fresheners, dish detergents, laundry products, soaps and detergents, non-food contact surface cleaners, floor care products*, bathroom care products*, automobile care products*, and furniture care products*), use 0.01-0.1%. For wood preservation, use only in above-ground applications only at 0.1-0.5%. Fungitrol™ 430S Fungicide can be used as a fungicide in non-medical, non-food contact aqueous, solvent and non-solvent based systems such as natural and synthetic adhesives, seals, patching compounds, sealants, grouts, latexes such as shingles in the manufacture of flooring adhesives or carpet backings and for use in cement-based products. Use levels for these applications are 0.05-0.2%. For specific recommendations on specific amounts of product to use please contact ISP.

*Not approved for use in California.
