Backpacker Mats

MOSQUITO REPELLENT REFILLS

12 Mosquito Repellent Mats Lasting 4-Hours Each

KEEP OUT OF REACH OF CHILDREN
CAUTION: See back panel for additional First Aid and Precautions

Active Ingredient:
d-cis/trans allethrin . . . 21.97%
Other Ingredients . . . . . . . 78.03%
Total . . . . . . . . . . . . . . . . . . . 100.00%
Contains petroleum distillates

Contains 6 Mosquito Repellent Mats
Net Wt 0.073 oz (2.07 g) ea
Total Net Wt .438 oz (12.42 g)
To Use Mosquito Repellent
1. Remove one mat from wrapper.
2. With Thermacell device off and completely cool, insert and center mat under grill.
3. Attach Thermacell device to the power source specified on the device directions.
4. Follow your device directions to activate mosquito repellent.

To Turn On/Off
Refer to the appliance's packaging.

To Replace Mosquito Repellent Mat
Make sure device is off and cool; push used mat out by inserting a fresh one.

Directions For Use
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Pesticide Storage: Store unused mats in original box in a cool, dry place inaccessible to children and pets. Store mosquito repellent in original box in a cool, dry place away from sources of heat. Pesticide Disposal and Container Handling: Non-refillable container; do not refill or reuse this container. For used mats: Do not reuse empty packaging or wrappers. Place in trash or offer for recycling if available. For unused mats: Call your local solid waste agency for disposal instructions. Never place unused mats down any indoor or outdoor drain. For unwanted mosquito repellent: Place in trash or offer for recycling if available.

PRECAUTIONARY STATEMENTS
Hazards to Humans & Domestic Animals
CAUTION: Contains petroleum distillates. Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID
If Swallowed: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If On Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS
This product is toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwater or rinsate. Drift may be hazardous to aquatic organisms in water adjacent to treated areas.

WARRANTY AND DISCLAIMERS
To the extent applicable by law, seller will not be held responsible for damage, injury or poor performance caused by use of other repellent mats.

Hazards to Humans & Domestic Animals
CAUTION: Contains petroleum distillates. Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID
If Swallowed: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If On Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-866-753-3837, Monday through Friday, 8:30 AM to 4:30 PM EST. After 4:30 PM, call your poison control center.

Note to Physician: Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

ENVIRONMENTAL HAZARDS
This product is toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwater or rinsate. Drift may be hazardous to aquatic organisms in water adjacent to treated areas.

WARRANTY AND DISCLAIMERS
To the extent applicable by law, seller will not be held responsible for damage, injury or poor performance caused by use of other repellent mats.
MOSQUITO REPELLENT

REFILLS

Refills may be used in any THERMACELL® Mosquito Repellent product.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals
CAUTION: Contains petroleum distillates. Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

First Aid - If Swallowed: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. If On Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-866-753-3837, Monday through Friday, 8:30 AM to 4:30 PM EST. After 4:30 PM, call your poison control center.

Physical and Chemical Hazards
Extremely flammable. Contents under pressure. Keep away from fire, sparks and heated surfaces. Do not puncture or incinerate butane container. Exposure to temperatures above 120°F may cause bursting.

Environmental Hazards
This product is toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwater or rinsate. Drift may be hazardous to aquatic organisms in water adjacent to treated areas.

USEFUL TIPS:
Allow 10 to 30 minutes, depending upon the size of the area, for product to take effect. This product works well in outdoor areas where there is minimal air movement, such as decks, patios, yards and outdoor campsites. Use one appliance per each 225 square feet (an area 15’ x 15’) or 15 feet in diameter. Each mat lasts a maximum of 12 hours and each THERMACELL® butane cartridge lasts a maximum of 12 hours. Provides a maximum of 12 hours repellency per mat. Mat turns from pale blue to white when repellent has been exhausted. To change mats, make sure appliance/lantern is off and cool, then push used mat out by inserting a fresh one. Some visible vapor will appear during use; this is normal.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Pesticide Storage: Store unused mats in original box in a cool, dry place inaccessible to children and pets. Store appliance and butane cartridges in original box in a cool, dry place away from sources of heat. Store Post Cap on post with cover closed to keep out dirt and water. Pesticide Disposal and Container Handling: Non-refillable container; do not refill or reuse this container. If cartridge is empty or for used mats: Do not reuse empty packaging, envelopes or cartridges. Do not puncture or incinerate empty cartridges. Place in trash or offer for recycling if available. If cartridge is partly filled or for unused mats: Call your local solid waste agency for disposal instructions. Never place unused mats down any indoor or outdoor drain. For unwanted appliance: Place in trash or offer for recycling if available.

USE RESTRICTIONS:
Only for outdoor use as an insect repellent. Do not use indoors, in tents or in any enclosed area. Do not insert anything other than THERMACELL® mats into the appliance. Cover or remove all exposed food. Do not leave appliance unattended or use in windy conditions. Do not expose appliance(s) or mats to rain. Place appliance on a flat, stable surface with the grill facing upward. Clean with a damp cloth only when the appliance is cool and inactive. Butane cartridges other than THERMACELL® cartridges will not work in this appliance.

PRECAUTIONARY STATEMENTS

EPA Reg. No. 71910-2 EPA Est. No. 83226-PHL-1
1. Remove one mat from wrapper.
2. With device off and completely cool, insert mat under grill.
3. Remove Patio lantern top and butane cartridge cap. Screw cartridge into receptacle and replace Patio lantern top.
4. Move switch to 'ON', wait 5 to 10 seconds then depress start button 3 to 5 times in rapid succession.
5. Verify Patio lantern is heating; orange light will glow. If the light is not glowing, make sure cartridge is completely screwed into place; then repeat step 4. Place on a flat, stable area.
6. When finished using, turn switch to 'OFF'.
7. Allow to completely cool and then store.

PRECAUTIONARY STATEMENTS
Hazard to Humans & Domestic Animals
CAUTION: Contains petroleum distillates. Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID
If Swallowed: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If On Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, rinsing eyes. Call a poison control center or doctor for treatment advice.

Physical and Chemical Hazards
Hazard: Extremely flammable. Contents under pressure. Vapors may cause flash fire. Use only in a well ventilated area. Do not use, store, or dispose near heat, sparks, or flames. Do not puncture or incinerate. Containers exposed to direct sunlight or otherwise heated above 120°F (49°C) may burst. Store in cool, dry area. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. If vapors are inhaled, remove person to fresh air.

Environmental Hazards
This product is toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwater or rinseate. Drift may be hazardous to aquatic organisms in water adjacent to treated areas.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Pesticide Storage: Store unused mats in original box in a cool, dry place inaccessable to children and pets. Store appliance and butane cartridges in original box in a cool, dry place away from sources of heat. Pesticide Disposal and Container Handling: Non-refillable container; do not refill or reuse this container. If cartridge is empty or for used mats: Do not reuse empty packing, wrappers or cartridges. Do not puncture or incinerate empty cartridges. Place in trash or offer for recycling if available. If cartridge is partly filled or for unused mats: Call your local solid waste agency for disposal instructions. Never place unused mats down any indoor or outdoor drain. For unwanted appliance: Place in trash or offer for recycling if available.

USEFUL TIPS
Allow 10 to 30 minutes, depending upon the size of the area, for product to take effect. This product works well in outdoor areas where there is minimal air movement, such as decks, unenclosed porches, patios and outdoor campsites. Use one appliance per each 225 square feet (an area 15’ x 15’) or 15 feet in diameter. Each mat lasts a maximum of 4 hours and each Thermacell® butane cartridge lasts a maximum of 12 hours. Provides a maximum of 4 hours repellency per mat. To change mats, make sure appliance/lantern is off and cool, then push used mat out by inserting a fresh one. Some visible vapor will appear during use; this is normal. Use additional appliances to cover a larger area. Lanterns provides light as it repels mosquitoes, black flies, flying insects and bugs. Batteries power the light; heat from the Thermacell cartridge activates the repellent mat and provides mosquito repellency.

USE RESTRICTIONS
Only for outdoor use as an insect repellent. Do not use indoors, in tents or in any enclosed area. Do not insert anything other than Thermacell® mats into the appliance. Cover or remove all exposed food. Do not leave appliance unattended or use in windy conditions. Do not expose appliance(s) or mats to rain. Place appliance on a flat, stable surface with the grill facing upward. Clean with a damp cloth only when the appliance is cool and inactive. Butane cartridges other than Thermacell® cartridges will not work in this appliance.

USEFUL TIPS
Active Ingredient: d-allethrin...........21.97%

Total..........................100.00%

KEEP OUT OF REACH OF CHILDREN
CAUTION: See side panel for additional precautionary statements.
**THERMACELL® MOSQUITO REPELLENT PATIO LANTERN**
1. Remove one mat from wrapper.
2. With device off and completely cool, insert mat under grill.
3. Remove Patio lantern top and butane cartridge cap. Screw cartridge into receptacle and replace Patio lantern top.
4. Move switch to ‘ON’, wait 5 to 10 seconds then depress start button 3 to 5 times in rapid succession.
5. Verify Patio lantern is heating; orange light will glow. If the light is not glowing, make sure cartridge is completely screwed into place; then repeat step 4. Place on a flat, stable area.
6. When finished using, turn switch to ‘OFF’.
7. Allow to completely cool and then store.

**THERMACELL® MOSQUITO REPELLENT OUTDOOR LANTERNS**
1. Remove one mat from wrapper.
2. With device off and completely cool, insert mat under grill.
3. Remove Outdoor lantern top and butane cartridge cap. Screw cartridge into receptacle and replace Outdoor lantern top.
4. Move switch to ‘ON’, wait 5 to 10 seconds then depress start button 3 to 5 times in rapid succession.
5. Verify Outdoor lantern is heating; orange light will glow. If the light is not glowing, make sure cartridge is completely screwed into place; then repeat step 4. Place on a flat, stable area.
6. When finished using, turn switch to ‘OFF’.
7. Allow to completely cool and then store.

**THERMACELL® MOSQUITO REPELLENT LANTERNS & TORCH**
1. Remove one mat from wrapper.
2. With lantern off and completely cool, insert mat under grill.
3. Remove butane cartridge cap and screw into lantern base opening. Place lantern on a flat, stable area.
4. Rotate lantern collar to the right until the indicator line points to “ON”. Wait 5 to 10 seconds then rotate lantern collar further to the right until the indicator line points to “START”. Repeat 3 to 5 times in rapid succession.
5. Verify lantern is operating; lantern will glow. If the lantern is not glowing, make sure cartridge is completely screwed into place; then repeat step 4. For full size lantern, orange light will glow in view hole located on the lantern lid.
6. When finished using lantern, rotate lantern collar to the left until the indicator line points to “OFF”.
7. Allow lantern to completely cool and then store. Torch: Replace protective cover; leave outside or store.

**THERMACELL® MOSQUITO REPELLENT APPLIANCES**
1. Remove one mat from wrapper.
2. With device off and completely cool, insert mat under grill.
3. Remove appliance cover and butane cartridge cap. Screw cartridge into receptacle and replace appliance cover.
4. Turn switch to ‘ON’, wait 5 to 10 seconds then depress start button 3 to 5 times in rapid succession.
5. Verify appliance is heating; orange light will glow. If the light is not glowing, make sure cartridge is completely screwed into place; then repeat step 4. Place on a flat, stable area.
6. When finished using, turn switch to ‘OFF’.
7. Allow to completely cool and then store.
