1 Month Supply

KILLS AND REPELS FLEAS & TICKS FOR:
4 WEEKS

What the drops do:
Signs of ingestion such as excessive salivation and foaming at the mouth should be taken to the veterinarian immediately.

Do not use on cats. May be toxic and potentially fatal if applied to or ingested by cats. Keep cats away from treated dogs for 24 hours.

If your dog has an unusual reaction to the initial application, consult a veterinarian before repeating application.

If signs persist or become more severe within a few days of application, consult a veterinarian immediately by calling 1-800-781-4783. If your dog has an unusual reaction to the initial application, consult a veterinarian before repeating application.

For external use only. Individual sensitivities, while rare, may occur after using any pesticide product on dogs. Certain products may react with skin dermatitis, talk to your veterinarian before applying any topical flea and tick control product.

Hazards to Domestic Animals:
Before eating, drinking, chewing gum or using tobacco or using the toilet.

If in eyes:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin:
Rinse thoroughly with soap and water. If rash or irritation develops and lasts, consult a doctor.

If ingested:
Immediately feed your dog and continue to monitor your dog for the next 24 hours. Some dogs may experience temporary startle effects when any product is applied. Dogs may experience some temporary irritation at the site of the product application such as redness, swelling, scratching or other signs of discomfort. If signs of sensitivity occur, bathe your dog with a mild soap and rinse with large amounts of water. If signs do not improve, immediately consult a veterinarian.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply on dogs less than 33 pounds. This product is intended for dogs only. Do not apply on dogs less than 33 pounds or on dogs weighing more than 33 pounds.

Storage and Disposal:
Store in a cool (below 25°C) dry place out of reach of children and pets. Do not refrigerate.

PESTICIDE STORAGE:
Do not contaminate water, food or feed by storage or disposal.

SDS Part No. S-1100

Additional precautions and requirements. Treated dogs should not be allowed to go swimming for 12 hours following treatment.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply on dogs less than 33 pounds.

For external use only. Individual sensitivities, while rare, may occur after using any pesticide product on dogs.
