To do so will release hazardous gases.

**PHYSICAL AND CHEMICAL HAZARDS:** This product contains bleach. Do not use or mix.

Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

Call a poison control center or doctor immediately for treatment advice. Have person sip a glassful of water if able to swallow.

**IF SWALLOWED:**

Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

**OR CLOTHING:**

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes.

**IF INHALED:**

Seek medical attention. For conditions such as obstructive lung disease, use of this product is not recommended for use by persons with heart conditions or chronic respiratory problems such as asthma, emphysema or lung problems due to smoking.

**FIRST AID:**

**IF IN EYES:**

If exposed, rinse eyes with water. Do not rub eyes.

**IF ON SKIN:**

Rinse skin thoroughly with water. Call 911 or a doctor if irritation persists.

**IF INHALED:**

Seek medical attention.

**REMEDIES:**

For conditions such as obstructive lung disease, use of this product is not recommended for use by persons with heart conditions or chronic respiratory problems such as asthma, emphysema or lung problems due to smoking.

Avoid contact with aluminum, clothes, fabric, carpet or paper surfaces, as they will discolor.

This product can react with these materials and leave a "rusty" stain. Do not use on wood or painted surfaces unless you plan to refinish or repaint them.

**APPLICATIONS:**

**TILE, SHOWER DOORS, UNGLAZED CERAMIC GROUT, GLAZED AND VITRIFIED CURTAINS, STEPS, BATHROOM COUNTERTOPS, TOILET TOWARDS, TOILET SEAT BASES, AND RUBBER OR VINYL SURFACES:**

Spray surface until thoroughly wet; let stand 10 minutes and rinse. Repeat if needed.

**BATH OR SHOWER**:

Spray a liberal amount of the product on the bottom of the shower. Let stand 5 minutes and rinse. For extreme cases, let stand 10 minutes and rinse. This product kills germs such as Staphylococcus aureus (Athlete's Foot Fungus) and Strep, (Staph), (Strep), (Trichophyton mentagrophytes (Staph), (Strep), (Trichophyton mentagrophytes (Athlete's Foot Fungus) and Candida parapsilosis (Candida parapsilosis) (Candida parapsilosis) (Candida parapsilosis) (Candida parapsilosis) (Candida parapsilosis) (Candida parapsilosis).

**Toilet Tubs & Sinks:**

Spray product on porcelain surfaces; let stand 5 minutes, then scrub and rinse. Repeat if needed.

**In The Kitchen:**

Spray as a surface cleaner or as a disinfectant. This product kills germs such as E. coli and Staphylococcus aureus in kitchen environments.

**Additional Uses:**

- To Kill Mold & Mildew on Hard, Nonporous Surfaces:
  - Spray surface until thoroughly wet; let stand 10 minutes and rinse. Repeat if needed.
  - To Disinfect and Kill Mold & Mildew on Hard, Nonporous Surfaces:
    - Spray surface until thoroughly wet; let stand 5 minutes and rinse. This product kills germs such as Staphylococcus aureus (Athlete's Foot Fungus) and Strep, (Staph), (Strep), (Trichophyton mentagrophytes (Staph), (Strep), (Trichophyton mentagrophytes (Athlete's Foot Fungus) and Candida parapsilosis (Candida parapsilosis) (Candida parapsilosis) (Candida parapsilosis) (Candida parapsilosis) (Candida parapsilosis) (Candida parapsilosis).

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS.**

**WARNING:**

**EYE IRRITANT.**

Use only by adults. Avoid contact with eyes. May irritate eyes. In the event of eye irritation, rinse eyes thoroughly with water. Contact a doctor if irritation persists.

**WARNING:**

**IRITANTE DE OJOS.**

Utilice solamente por adultos. Evite el contacto con los ojos. Puede irritar los ojos. En el caso de irritación ocular, enjuague los ojos con agua. Consulte a un médico si la irritación persiste.

**CAUTION:**

Keep out of reach of children. Store in a cool area to avoid deterioration. Do not reuse or refill.

**FIRST AID:**

**IF IN EYES:**

Rinse eyes thoroughly with water. Call 911 or a doctor if irritation persists.

**IF ON SKIN:**

Rinse skin thoroughly with water. Call 911 or a doctor if irritation persists.

**IF INHALED:**

Seek medical attention.

**Warning:** Causes substantial but temporary eye injury and can irritate skin. For sensitive skin or prolonged use, wear gloves. Do not get in eyes or on clothing, since vapors may irritate. Avoid prolonged breathing of vapors. 

**Precautionary Statements:** Hazards to humans and domestic animals.

**Ingredient Information:**
- **Active Ingredient:** 100 ppm sodium hypochlorite
- **Other Ingredients:** Water, fragrances, surfactants

**Directions for Use:**
- To Foam: Tilt bottle at a downward angle while spraying. Refill only with this product. Recycling the empty container is strongly recommended.
- To Clean: Saturate dirt, mildew, and problem areas with this product. Let stand 5 minutes and then rinse.

**Safety Precautions:**
- Keep out of reach of children.
- Store in a cool area to avoid deterioration. Do not reuse or refill.

**Storage and Disposal:**
Store in a cool, dry area. Do not leave a cap on.
Do not get in eyes or on clothing. Vapors may irritate. Use only in well-ventilated areas. Avoid prolonged breathing of vapors.

Due to irritating nature, may be harmful if swallowed.

Application: Rinse immediately after use on rubber, plastic and vinyl. Avoid prolonged contact with metal and old porcelain, as this product may discolor them.

Mildew on Hard, Porous Surfaces

Aspergillus niger.

Staphylococcus aureus

Streptococcus pyogenes

Do not use or mix this product with other household chemicals such as products containing ammonia, toilet bowl cleaners, rust removers, vinegar or acid.

PHYSICAL AND CHEMICAL HAZARDS: This product contains bleach. Do not use or mix with other products.

WARNING:

PRECAUTIONARY STATEMENTS: Hazards to humans and domestic animals.

Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Call a poison control center or doctor immediately for treatment advice. Have person sip a glassful of water if able to swallow. Do not give anything by mouth to an unconscious person.

To Kill Mold & Mildew on Hard, Nonporous Surfaces

Spray 6–8 inches from surface until surface is thoroughly covered. Allow foam to deeply penetrate mildew and problem areas. Wipe with a wet sponge or cloth, and rinse. Heavy mildew buildup may require longer contact time or multiple applications.

To Spray Every Drop:

Tilt bottle at a downward angle while spraying. Refill only with this product.
