DOMESTIC ANIMALS: CAUTION: HUMANS:

PRECAUTIONARY STATEMENTS – HAZARDS TO HUMANS & DOMESTIC ANIMALS – CAUTION: HUMANS: Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before use.

DOMESTIC ANIMALS:

DO NOT USE ON CATS!

May be toxic and potentially fatal if applied to or ingested by cats. Accidental application to cats and/or grooming a recently treated dog may result in tremors and/or uncoordinated muscle movements. If this occurs, immediate veterinary care should be provided.

Do not use on puppies less than 6 months of age. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals. Sensitivities may occur, bathe your dog/puppy with a mild soap and rinse with large amounts of water. If signs of sensitivity occur, consult a veterinarian IMMEDIATELY. In the event of an emergency, contact 800-950-4783.

FIRST AID:

If on skin or clothing:

• Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes.
• Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER: For additional information on this pesticide product (including human and veterinary concerns, medical emergencies or pesticide incidents), you may call 800-950-4783 or a Poison Control Center, 24 hours per day.

PHYSICAL OR CHEMICAL HAZARDS: Combustible. Do not use near heat or open flame.

DIRECTIONS FOR USE: This product prevents eggs from developing into adult fleas for up to 30 days. This product also kills and repels ticks for up to 30 days.

USE RESTRICTIONS: Do not use more than one tube per dog/puppy and do not reapply more than once per month. Do not allow your dog/puppy to ingest this product.

1. Bend at perforation and tear off first month's applicator.
2. Hold applicator and bend numbered area of plastic at perforation, tear off and discard.
3. Hold applicator upright away from face and body of person and dog and use scissors to cut secure seal applicator tip.
4. Invert the tip of the applicator at the base of the dog's neck. Apply 1/3 of the contents of the applicator.
5. Invert the applicator to an upright position and move to the middle of the dog’s back. Apply the remaining 1/3 of the contents of the applicator.
6. Invert the applicator to an upright position and move to the base of the dog's tail. Apply the remaining 1/3 of the contents of the applicator.

DO NOT APPLY THIS PRODUCT TO CATS. This product is intended for dogs only!

Although this product is applied only between the shoulder blades, at the base of the tail and in the middle of the back, the dog's skin and hair oils carry the product over the entire body for protection against fleas, ticks, and flea eggs. This product is most effective when used as part of a total flea and tick management program. Use other Zodiac® products registered for residential area control of these pests in conjunction with this treatment.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Pesticide Storage: Keep this product in its original container when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals. Pesticide Disposal and Container Handling: If Empty: Do not reuse empty applicator. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

In case of emergency, or for product use information call 800-950-4783. www.zodiaccpet.com

SIDE EFFECTS: Monitor your dog after application. Side effects may include signs of skin irritation such as redness, scratching, or other signs of discomfort. Gastrointestinal signs such as vomiting or diarrhea have also been reported. If these or other side effects occur, consult your veterinarian or call 800-950-4783.
