**FIRST AID**

**IF IN EYES:** Rinse open eye and close gently with water for 15-20 minutes. Remove contact lens, if present, after the irrigation is started. Continue irrigation without removing lens. **IF IN SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **IF ON GUN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF INHALED:** Remove to an area where fresh air is available. **IF SWALLOWED:** Call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor.

**EQUIPMENT SANITIZER:**

**DANGER**

**DIRECTIONS FOR USE (CONTINUED)**

**PRECAUTIONARY STATEMENTS**

**FOR INDUSTRIAL USE**

**FOR EMERGENCY MEDICAL INFORMATION IN USA OR CANADA, CALL: 1-800-328-0026.**

**CONTAINER DISPOSAL:** Place in an approved waste disposal container at a solid waste disposal facility authorized to receive such materials. Oregon, Washington, and California: Properly filled container of this product must be kept at a safe distance from other waste materials. Kansas, Minnesota, and Wisconsin: Call 800-328-0026 for instructions.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of pesticides that contain hazardous ingredients can cause both human中毒 and pollution. Do not pour down drains or sewers, on the ground, or in water bodies. Do not reuse or refill this container. Double rinse container (or any parts thereof) non-porous gloved hands into a suitable clean container that contains suitable absorbents.

**STORAGE AND DISPENSATION**

**STORAGE:** Store in an approved storage facility in a cool, dry, well-ventilated area. Protect from freezing. Do not use after the first of the month next following the expiration date printed on the container. Triple rinse container (or any parts thereof) non-porous gloved hands into a suitable clean container that contains suitable absorbents.

**DISPOSAL:** Offer for recycling, if available, or discard in trash.
