FOR HOSPITAL, INSTITUTIONAL AND INDUSTRIAL USE

SANIFLAVOR® SaniMaster Carpet Sanitizer is a low foaming carpet shampoo formulated for use with extraction and carpet steam cleaning equipment. The product is a twin chain quaternary ammonium compound that reduces and controls the growth of bacteria, fungi, and other microorganisms that cause carpet stains and soil. It is effective as a sanitizing agent against odor causing bacteria for Hospital, Institutional and Industrial Use.

TOTAL .............................................................100.00%

Other Ingredients
Dimethyl benzyl ammonium chloride ..................0.80%
Dioctyl dimethyl ammonium chloride ..................0.24%
Octyl decyl dimethyl ammonium chloride ...........0.60%

ACTIVE INGREDIENTS:
Total surfactant active ingredients ..................98.00%

DIRECTIONS FOR USE:

TO CLEAN, SANITIZE, AND DEODORIZE CARPETS:

Vacuum carpet thoroughly. Mix sixteen (16) ounces of this product per gallon of water. Bonnet on carpet at rate of 200-300 sq. ft. per gallon. EnVerros SaniMaster Carpet Sanitizer should be an integral part of any carpet maintenance system. Routine application will not only clean the carpets, but sanitize and deodorize for a cleaner, longer lasting carpet.

FOR HOSPITAL, INSTITUTIONAL AND INDUSTRIAL USE

Effective as a sanitizing agent against odor causing bacteria for Hospital, Institutional and Industrial Use.

HEAVY DUTY SPIN BONNET (BONNET BUFF) CLEANING:
Vacuum carpet thoroughly. Mix two (2) ounces of this product per gallon of water. Inject a pump or other atomizer to inject the carpet at the rate of 200-300 sq. ft. per gallon. The spin bonnet will remove the soil, resists resoiling and utilizes "built-in" defoamers for more productive use.

SPIN BONNET (BONNET BUFF) CLEANING:
Vacuum carpet thoroughly. Mix two (2) ounces of this product per gallon of water. Inject a pump or other atomizer to inject the carpet at the rate of 200-300 sq. ft. per gallon. The spin bonnet will remove the soil, resists resoiling and utilizes "built-in" defoamers for more productive use.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

DANGER:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Probable mucosal damage may contraindicate the use of gastric lavage.

Ingestion:

If ingested, DO NOT induce vomiting. There may be danger of aspiration. Provide supportive care and emergency treatment. For additional information refer to 570705 blanc sheet.

If Swallowed:

Give 1-2 tbsp. mineral oil. Contact a Poison Control Center or physician immediately. Have the container or label with you when you call.

If on Skin or Clothing:

Remove contaminated clothing and wash immediately with soap and water. Wash affected area thoroughly with soap and water. If necessary, use mild detergent. If necessary, consult a Poison Control Center or physician immediately. Have the container or label with you when you call.

Inhalation:

If inhaled, remove victim to fresh air. Call a Poison Control Center or physician immediately. Have the container or label with you when you call.

If接触 Eyes:

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a Poison Control Center or physician immediately. Have the container or label with you when you call.

KEEP OUT OF REACH OF CHILDREN

STORAGE AND DISPOSAL

Open dumping is prohibited. Store in original container in areas inaccessible to children.

Pesticide Storage:

Keep out of reach of children. Store in original container in areas inaccessible to children.

Pesticide Disposal:

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

For additional safety information, see label on product container.
