T.G.I.C.™ Restroom Disinfectant Cleaner cleans and deodorizes in one labor-saving step. This product removes ground-in dirt, grime, soap scum, fingerprints, tough soils and their odors when used as directed. Leaves bathrooms clean and smelling fresh.

Kills Pandemic 2009 H1N1 influenza A virus.

PELIGRO: Si no sabe el inglés, solicite instrucciones a su supervisor antes de usar este producto.

DIRECTIONS FOR USE

GENERAL CLEANING / DEODORIZING DIRECTIONS: Spray soiled area then wipe clean. Repeat for heavily soiled areas.

DISINFECTION DIRECTIONS: Preclean prior to disinfection. Spray 6 - 8 inches from surface until surfaces are thoroughly wet. Do not spray heavily. Treated surfaces must remain wet for 1 minute for disinfection against bacteria. Follow disinfection directions when using as a virucidal agent. Wipe dry with a clean cloth, sponge, rag or wipe off with dry cloth or paper towel. Do not use on open wounds, burns or abrasions. Do not use on ears, eyes, mucous membranes or irritants.

MOLD AND MILDEW CONTROL DIRECTIONS: This product effectively inhibits the growth of mold and mildew and the odors caused by them when applied to hard, nonporous surfaces. Follow disinfection instructions. Allow to air dry on surface. Repeat when mildew growth returns.

See Carton Insert and or "MSDS" for Additional Directions and Product Information.

SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV-1 ON SURFACES / OBJECTS SOILED WITH BLOOD / BODY FLUIDS

PERSONAL PROTECTION: Clean-up must always be done wearing protective gloves, shoes, mask and eyewear protection.

CLEANING PROCEDURE: Blood and other body fluids (milk, urine, vomit) must be thoroughly cleaned with soap and water and disinfection agents before application of this product. CONTACT TIME: Leave surface wet for 1 minute. Use a 1 minute contact time for disinfection. Do not use on cutaneous tissue, meat, bones, or solid food. Do not use on spoons, forks, knives, or cooking equipment. Do not use on medical device surfaces.

DISPOSAL OF INFECTIOUS MATERIALS: Blood, body fluids, cleaning materials and clothing must be autoclaved and disposed of according to local regulations for infectious waste disposal.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Keep out of reach of children. Store in original container in a cool, dry, dark place.

Container Disposal: Nonrefillable container. Do not refill or reuse this container. Do not reuse or refill this container. Do not run down the drain. Store in original container or pour into designated hazardous waste container. For Medical Emergency ONLY call: 24 Hour Emergency Response Number 1-866-923-4913

For Medical Emergency ONLY: call 24 Hour Emergency Response Number 1-866-923-4913
This product is a sanitizer for hard, nonporous (bathroom) non-food contact surfaces according to the method for Sanitizers - Non Food Contact Surfaces, modified in the presence of 5% organic serum, in 30 seconds by killing 99.9% of:

- Enterobacter aerogenes
- Enterococcus (Streptococcus) faecalis [Vancomycin-resistant] [VREF]
- Escherichia coli [E. coli]
- Escherichia coli 0157:H7 [pathogenic E. coli]
- Salmonella enterica [Salmonella]
- Staphylococcus aureus [Staph]
- Streptococcus pyogenes [Strep]

**TO SANITIZE AND DEODORIZE NON-FOOD CONTACT SURFACES:** Spray this product until thoroughly wet. Treated surfaces must remain wet for 30 seconds. Then wipe. For heavily soiled areas, a precleaning is required.

**NON-ACID TOILET BOWL AND URINAL DISINFECTANT/CLEANER DIRECTIONS:**
Empty toilet bowl or urinal and apply this product to exposed surfaces including under the rim with a cloth, mop, sponge or sprayer. Repeat and allow to stand for 1 minute, then flush.

**FUNGICIDAL DIRECTIONS:**
This product is an effective fungicide against Trichophyton mentagrophytes [the Athlete’s Foot Fungus] in areas such as locker rooms, dressing rooms, shower and bath areas, exercise facilities, health clubs and spas. Follow disinfection directions for application instructions. Treated surfaces must remain wet for 10 minutes.
