**ACTIVE INGREDIENT:**
Sodium dichloroisocyanurate dithionate .............. 99.0%

**OTHER INGREDIENTS:** ........................................ 1.0%

**TOTAL INGREDIENTS:** ........................................ 100.0%

**KEEP OUT OF REACH OF CHILDREN**
DANGER

**FIRST AID: IF INHALED:** Move person to fresh air if person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. If skin or clothing is affected, remove clothing, if possible. Call Poison Control Center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Keep person seated and calm. Call a Poison Control Center or doctor for treatment advice.

**IF SWALLOWED:** Do not induce vomiting unless told to do so by the Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. Provide plenty of water to drink if able to swallow.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. If in the eye, do not rub. Call a Poison Control Center or doctor for treatment advice. Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

**IN CASE OF MEDICAL EMERGENCY, CALL 877-800-5553.**

**DIRECTIONS FOR USE:**
When used as directed, this product is effective as a swimming pool water sanitizing agent. Add entire contents of this product to the water in the deep end of the pool. Add stabilizer to establish a minimum level of 30-40 ppm to reduce the degradative effects of sunlight upon the chlorine residual. Check for metals. Before using this product, add stain and scale inhibitor to prevent damage to pool surface.

**SWIMMING POOL SANITIZER**

**PRECAUTIONARY STATEMENTS:**
DANGER: Corrosive. Causes irreversible eye damage. May be fatal if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Do not breathe dust or fumes. Wear protective gloves and/or eye protection. Wash thoroughly after handling. Remove contaminated clothing. If swallowed, rinse with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

**ENVIRONMENTAL HAZARDS:**

**CONTAINER DISPOSAL:**
Non-refillable container. Do not reuse or refill this container. Store in a cool, dry area.

**PHYSICAL OR CHEMICAL HAZARDS:**

**STRAINS OXIDIZING AGENT:** Do not mix with other chemicals. If this product is transferred to a pressurized tank, explosion may result. Follow directions on these products.

**STORAGE AND DISPOSAL:**
