STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage or disposal.

Commercial Use:
PESTICIDE STORAGE: Store only in original container away from heat or open flame. Keep container closed when not in use. Storage must be secured sufficiently to protect product from children or persons unfamiliar with its proper use. PESTICIDE DISPOSAL: Pesticide wastes are subject to hazardous improper disposal of excess pesticides, spray mist, or droplets is prohibited. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative of the nearest EPA Regional Office for guidance.

CONTAINER HANDLING - NonRefillable container: Do not reuse or refill this container. Clean container promptly after emptying. Triple rinse as follows: Empty the remaining contents into an approved appliance or a mix tank. Fill the container 1/4 full with water. Replace and tighten cap. Tip container on its side and roll it back and forth, ensuring at least one complete evolvo, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its side and tip it back and forth several times. Empty the container into an approved appliance or mix tank on a concrete slab on a location away from water, fuel or fertilizer. Repeat this procedure two more times. Then offer for recycling if available, or reconditioning, or puncture and dispose of in a sanitary landfill, or incinerator, or if allowed by state and local authorities by burning if turned, stay out of smoke.

Domestic/Residential Use:
CONTAINER HANDLING - NonRefillable container: Do not reuse or refill this container. Securely wrap original container in several layers of newspaper and discard in trash or offer for recycling if available.

ENVIRONMENTAL HAZARDS
This pesticide is toxic to fish. Do not discharge effluent containing this product into streams, ponds, streams, estuaries, estuaries, or other waters unless in accordance with the requirements of a National Pollution Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge or run off water containing this product to sewer systems without previously notifying the local sewage treatment plant authority for guidance. Contact your State Water Board or Regional Office of the EPA.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER, CORROSIVE. Causes irreversible eye damage and skin burns. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin, or on clothing. Remove contaminated clothing and wash before reuse.
