DISINFECTANT SPRAY
For Health Care Use

For Use in Hospitals, Nursing Homes, Day-Care Centers, Medical Offices, Restaurants, Schools, Institutions and Commercial Establishments

APPLICATION INSTRUCTIONS

Shake well before using and occasionally while spraying. Clean surface thoroughly with an effective cleaning compound prior to treatment. Remove all gross dirt or heavy soil from all surfaces to be treated. After surface is cleaned, hold can upright 6" to 8" from surface to be treated. Spray 3-4 seconds until surface is wet. Allow to dry without wiping or allow spray to contact treated surface for a minimum of ten minutes prior to wiping. For heavily soiled areas, extra treatment may be necessary. When using on hard, non-porous, inanimate environmental surfaces. Kills Pandemic 2009 H1N1 Influenza A Virus* (formerly called "swine flu").

STORAGE AND DISPOSAL

Do not damage or contaminate water, food or feed by storage or disposal. Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Disposal of empty container or residue is prohibited. Avoid contact with eyes, skin or clothing.

NOTE TO RECIPIENTS & DISTRIBUTORS

This product is not for use on medicinal devices or medical equipment surfaces.

DO NOT USE ON MEDICAL DEVICES OR MEDICAL EQUIPMENT SURFACES.
